## **Spirit of Mammon**

**Sermon date: 30-07-2019**

**Greetings in the name of our Lord and Savior Jesus Christ!**

If you read this book with an expectation and desire in your heart, you will receive and will never remain the same. It all depends on how much you desire or how much you expect.

If you are born in a Christian family, you must be going to church from your childhood or you must be attending church from the day you knew Jesus Christ. Later going to church becomes a tradition or a habit. We tend not to expect anything.

If you go to a star hotel, you expect to be treated with respect and go back home stomach full. But if you go to an ordinary hotel, you will not expect anything. When you go to meet a doctor, you expect to be treated well or when you go out with your family or friends, you expect to have fun and enjoy it.

Wherever we go, we have an expectation. But to church, we tend to go without an expectation. We go to church just because we have to go.

Our church gathering is different than any other gathering because we believe that our God is still in the business of doing miracles. We believe that our God is the same yesterday, today and forevermore.

We pray and enjoy his presence in our day to day life. Every moment we come in touch with God, we desire a change. We desire to get

closer to Jesus. We desire a change in our minds and change in emotions as well as in the spirit. It's now time to move on to the next level. This book focuses on the spirit of mammon. It is imperative to break the spirit of mammon in our lives.

### ***What is Mammon?***

Mammon means money. It is an Aramaic word for wealth, money, gold or prosperity. Mammon is a spirit that controls money. Money is just not a material thing as we think. This spirit tries to dominate over us, tries to dictate things in our lives. Somehow, we are enslaved to money. Once we understand that money is a spiritual thing, we can deal with it in the right way. Our lifestyle and our focus in life will change.

It is not easy to break the spirit of mammon. There might be other subtle spirits working with you, so you might feel rejection when you first read about this. You might feel this church is all about health, wealth, money and only prosperity is preached here. You might have so many other distractions. But as you continue to read this book, you will literally break the spirit of mammon.

### ***Confess:***

***Mammon should fall today. The spirit which controls my wealth and finances will break today.***

The spirit of mammon controls us. Even when we have enough money, this spirit makes us insecure. Though we have it, we always work on the mentality of “saving it for a rainy day”.

You might ask, is it not right to save money for a rainy day? As we go in the process of saving money, we squeeze our self, and we forget to enjoy what God has given us today.

Some like to spend money the same day they receive it and the rest of the month they live by the credit card. Some think living by faith is living by credit card. This is because they put themselves to buy things beyond what is necessary and end up paying EMI and interests. They bring in many unwanted debts.

Either way, we are bound by the spirit of mammon. We think that nothing can be done without money.

You might say that your salary is only 20k every month, that is why you live on the edge and you might also think if your salary is 2 lakh rupees you may not live like that. But as a Pastor dealing with so many families, I can see that even people earning 2 to 3 lakhs per month are still living on the edge.

When I say on the edge, it means on the edge. They cannot live for one week if there is a salary delay. It is not about money. It is a spirit. You have to read this book with an open mind to receive this. This is neither about the debt you have nor about the money. You can give many reasons for the loans you have, but we need to understand that it is spiritual.

***Confess:***

***I shall be free from the clutches of the spirit of mammon.***

This is not a prosperity doctrine. It is the will of God that we should prosper. The Bible talks about prosperity.

Paul says in **2 Corinthians 8:9**,

***For you know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sake he became poor, that you through his poverty might become rich.***

Jesus was rich. Though he was rich, he became poor, that by his poverty, you shall become rich. Again Paul writes, may he prosper like as much as his soul prospers in everything.

***In Corinthians 2:14 we read,***

***But thanks be to God, who always leads us in victory through Christ. God uses us to spread his knowledge everywhere like a sweet-smelling perfume.***

***Confess:***

***Jesus always leads me to victory. I will always reign in victory.***

So prosperity is not an awful word. It is not a sin. It is the will of God that we should be prosperous. Prosperity is a portion for children of God!

***Confess: Prosperity is my portion.***

Prosperity is not greed. ***Prosperity is a blessing! What God tells us and has for us belongs to us!*** God calls us as his special possession and a royal priesthood. Royal means King. We are spiritual people and so we are called a Priest. But we are not a begging Priest, we are a royal Priest! When we do not know the truth and we do not know what belongs to us, we do not believe it; we do not expect it and we do not claim it!

When we do not believe it, we will not have it!

***1 Peter 2:9 You are a chosen people, a royal priesthood, a holy nation, God's special possession.***

***Confess:***

***I am a Royal Priest.***

We might think, to make money we have to move from one company to another company and get a salary hike. That is not prosperity. Money is not prosperity. Enjoying the money that God has given us is prosperity. People are making a lot of money. But money will not give us a healthy and prosperous life. People making a lot of money have their problems. So mammon is the spirit that controls money and worldly wealth according to the Bible.

The word prosperity is not only about money and wealth; it is about the spiritual blessing. If someone is prosperous, it means that the person is enjoying, he is cool, he is rejoicing, he is happy and he is vibrant.

In Luke 16:1-17, we see about the Parable of the Unjust Steward.

1 He also said to His disciples: ‘There was a certain rich man who had a steward, and an accusation was brought to him that this man was wasting his goods’.

2 So he called him and said to him, ‘What is this I hear about you? Give an account of your stewardship, for you can no longer be steward.’

3 Then the steward said within himself, ‘What shall I do? My master is taking the stewardship away from me. I cannot dig; I am ashamed to beg.

4 I have resolved what to do, that when I am put out of the stewardship, they may receive me into their houses.’

5 So he called every one of his master’s debtors to him, and said to the first, ‘How much do you owe my master?’

6 And he said, ‘A hundred measures of oil.’ So he said to him, ‘Take your bill, and sit down quickly and write fifty.’

7 Then he said to another, ‘And how much do you owe?’ So he said, ‘A hundred measures of wheat.’ And he said to him, ‘Take your bill, and write eighty.’

8 So the master commended the unjust steward because he had dealt shrewdly. For the sons of this world are more shrewd in their generation than the sons of light.

9 And I say to you, make friends for yourselves by unrighteous mammon, that when you fail, they may receive you into an everlasting home.

10 He who is faithful in what is least is faithful also in much, and he who is unjust in what is least is unjust also in much.

11 Therefore if you have not been faithful in the unrighteous mammon, who will commit to your trust the true riches?

12 And if you have not been faithful in what is another man's, who will give you what is your own?

13 "No servant can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon."

14 Now the Pharisees, who were lovers of money, also heard all these things, and they derided Him.

15 And He said to them, "You are those who justify yourselves before men, but God knows your hearts. For what is highly esteemed among men is an abomination in the sight of God.

16 The law and the prophets were until John. Since that time the kingdom of God has been preached, and everyone is pressing into it.

17 And it is easier for heaven and earth to pass away than for one tittle of the law to fail.

Serve means worship! You can either serve God or mammon. Mammon is a material thing. We might not worship money but God

is a spirit and Jesus is equating the spirit of mammon with God in the spiritual realm. God is a spirit and mammon is equally another master. Neither mammon nor the spirit of wealth is prosperity!

God created man and later in the times of Abraham and Isaac also. God never spoke to them about economics. He never taught them about the spirit of mammon. But somewhere down the line, in the world, everything is all about money.

We see in the Bible that Abraham prospered but it was not about money. Jacob prospered and it was too not about money. Isaac sowed during the famine and reaped a hundredfold. These were the blessings of God. Daniel never mentioned about money, he just got promoted and later became the king's assistant. In the Bible, we don't see money as the only source of blessing.

Though we are children of God sometimes we operate under the authority of the spirit of mammon. Like God, mammon is another master. You cannot serve two masters at a time. You can serve only one master. You got to make a choice and you got to fight your way, understand and align yourself to which master you want to serve.

Except for the children of God, everybody else in this world is operating under the spirit of mammon at some point of time in their life. You might think, that you worship God all the time, you are baptized, spirit-filled and doing the work of God. But you might be operating under the spirit of mammon. It does not mean that you are possessed. There might be times when you are joyous believing God

for his blessings and prosperity. There might also be times when your stomach burns, heart palpitates thinking about your job, money and other situations. So you are always under attack at some point and that spirit controls us.

Whenever you decide to spend time with your family or you decide to do ministry or any other decision you try to make, the spirit of mammon intervenes. On your decision table where you and your spouse sit and discuss, this spirit intervenes, infiltrates and disturbs. Every decision you make might be distracted by the spirit of mammon.

Usually, when we make decisions, we make decisions based on our income or our salary or on the promotion we would get. 99% of our decisions are based on that. But as a child of God, we say that we walk by faith, not by sight. How many of us can have faith to say, “I do not know what I have, but I believe what God says”. Though we say that, how many of us can decide beyond the sources of our income?

You might think that it is wise to operate with what we have. But if you operate with what you have, you will not go beyond what you have.

You have to take a step of faith. When Jesus said come, Peter took a step beyond his ability and he walked on water. As long as the word was there, he walked on water.

Mordecai was a watchman at the King's gate, but he stepped ahead beyond his ability and finally became the king's chief advisor. Joseph was an ordinary man, but he took a step beyond his ability believing God which took him to the king's throne.

Most of us want to play safe and think that nobody should know about us, nobody should speak anything about us and we want to live like "touch me not" and go to heaven. If we live within the monthly salary, we are wasting the life and the power God has given us in this world. You don't have to live like that, you have to take a step of faith and be adventurous.

The spirit of mammon will not allow us to take that step. He will be a part of our decision making. He fills us with fear, anxiety, and depression.

Today the spirit of mammon will break in the mighty name of Jesus! When this spirit breaks you will start thinking beautiful things. You will start dreaming about beautiful things. You will feel that you can stretch your wings and fly.

We are going higher; we are going to mount up with wings like the eagles. Arise and shine, your light has come!

We carry authority; the spirit of Jesus is in us. He is the Lord of all spirits. There are lots of spirits in this world; there are gods and goddesses which are also spirits. Many people follow many religions but Jesus reigns over every other spirits. Every dark spirit flees at the mention of the name Jesus!

Jesus said that mammon is a master and God is a master. Mammon can trick, cheat and make us submit to his authority. But God is powerful. Lack of prosperity and lack of wealth is a spiritual attack. It is not that you do not have the ability or your company is not working well, it is spiritual. Until we allow the spirit of mammon to act in us, we cannot prosper!

***How does the spirit of Mammon work in your life?***

In this physical world, we have to walk on the land, we cannot fly over. When we go into the water, it is a different dimension. We cannot walk in the water but we can swim. We can go inside the water and do a lot of acrobats, which we cannot do on land. Similarly, in the spiritual world, there are spiritual laws that we have to know and we need to adhere to those laws. Else we cannot win the spiritual world.

By default, a person is under the spirit of mammon. Though you are saved, you are under the spirit of mammon and you are serving it. The only way to come out and serve God in the spiritual world is to give. Now you might think this preaching is all about making money, but as you continue to read you will very clearly understand the spirit of mammon. I am just trying to help you to follow the biblical law.

We see in ***Luke 6:38, Give, and it shall be given to you.*** When you take and give it to the Lord, that is the moment, you can overcome the spirit of mammon. As soon as you give your tithes and money

you don't overcome. That alone doesn't make you eligible to overcome. But the initial step is to give. As long as you do not give you are under the bondage of the spirit of mammon.

In the Old Testament, the Lord has told to give ten percent of the income to the priest. It was not for God. God fed the Israelite people day and night in the land of Canaan, the land flowing with honey and milk. God could easily feed the priest and the Levites. But why did God ask his people to pay one-tenth of their income to the priest? One-tenth of the income that is paid goes to the storehouse of the temple. Store means surplus and it is stored up.

***Malachi 3:10 Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the LORD Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it.***

You might think the church doesn't need anything, so we need not give. As the Bible says we give for our blessings. When we give our hard-earned money, it is given as a sacrifice. The moment we give, we overcome the spirit of mammon.

When you take from the "unrighteous income", you might say that you didn't do anything unrighteous, but the Bible says that anything of this world is unrighteous. The spirit of mammon is the ruler of money!

This world is in darkness and Satan is the ruler of this world. Jesus clearly agrees that Satan is the ruler of this world. In ***Matt 4:9***, ***"All this I will give you," he said, "if you will bow down and worship me."*** While tempting Jesus, Satan claims himself to be the ruler of this world. Jesus did not deny Satan's claim.

Again in ***John 14:30***, Jesus said that Satan is the Prince of this world. Satan will be the ruler of this world until Jesus comes back to this world. Whatever comes from this world to you is unrighteous. If you start spending the money without sanctifying, the spirit of mammon will be ruling over that. But when you sanctify, by giving one-tenth to God, the remaining ninety percent of the money is cleansed and sanctified. You have faithfully given it to the Lord, so the remaining money is made holy by God.

***Luke 6:38 Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."***

***Confess:***

***Give and it shall be given to me.***

So until you give, you will not have your prosperity. I want you to be delivered from the clutches of mammon. For some of us, the offering is the toughest time. An offering is a part of worship. During

every worship time, an offering should be given. When we give, it will be given to us!

As the spirit of mammon intervenes in all your decisions, you will have money but you will not be able to enjoy what you have. If the spirit of mammon allows you to live, you will live for the glory of God. So he tries to enslave you with that!

The Old Testament says that you are stealing God if you do not give. These are spiritual laws! Once you understand the spiritual laws and align to it, things will fall in place. You might ask whether I give or don't give, will God not bless me. It is not about God, it is about the spirit of mammon. Until you give, the spirit of mammon will have a hold on you.

***Malachi 3:8 “Will a man rob God? Yet you have robbed me!  
But you say, ‘In what way have we robbed you?’ In tithes and offerings.***

When I started fasting last year, I desired and prayed to see a supernatural move in our church. The first thing God led me to do was to give what I had saved for a few years! As the Lord led me, I gave almost 4 lakhs to different ministries and people. Within two months miracles after miracles started happening in our church. I got a car worth 10 lakhs almost free. We got new speakers, new keyboard and new drums worth almost 4 lakhs within a week!

God taught me about trusting in him! He didn't stop there, after that the church expanded, people started coming. Also, blessings started

to flow in the lives of people who got connected to the church. We were able to do interior decorations in the church and air condition the church. We also bought a bus for the church. Because I trusted God and did what he asked me to do, now I stand as a living testimony.

When I broke the spirit of mammon, miracles started happening. When the spirit of mammon breaks, flood gates of heaven will open up in your life. When the backbone of mammon breaks, you will start flourishing!

***Confess:***

***When I give, I break the spirit of mammon.***

Previously I was looking for a small land and build a small church. But after the spirit of mammon broke, God asked me to expect for a 5-acre land!

***Confess:***

***I am looking for greater things because the spirit of mammon is broken in my life. I'll never be the same. I will never be in poverty. We shall go from glory to glory, from victory to victory and from success to success.***

***How does the spirit of mammon work?***

Let's read the following passage from Mathew 16: 13-20

Here, Peter declares that Jesus Is the Messiah!

13 When Jesus came to the region of Caesarea Philippi, he asked his disciples, “Who do people say the Son of Man is?”

14 They replied, “Some say John the Baptist; others say Elijah; and still others, Jeremiah or one of the prophets.”

15 “But what about you?” he asked. “Who do you say I am?”

16 Simon Peter answered, “You are the Messiah, the Son of the living God.”

17 Jesus replied, “Blessed are you, Simon son of Jonah, for this was not revealed to you by flesh and blood, but by my Father in heaven.

18 And I tell you that you are Peter, and on this rock, I will build my church, and the gates of Hades will not overcome it.

19 I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.”

I want to give you an illustration here. In the above verses, Jesus tells that he is going to build the church on the revelation that Peter had, and he would give the keys of heaven to Peter.

***We see a power-packed situation here. Peter is now in a higher position. He is given the keys of the kingdom of heaven.*** Let’s continue to read the chapter

20 Then he ordered his disciples not to tell anyone that he was the Messiah.

21 From that time Jesus began to explain to his disciples that he must go to Jerusalem and suffer many things at the hands of the elders, the chief priests and the teachers of the law and that he must be killed and on the third day be raised to life.

22 Peter took him aside and began to rebuke him. “Never, Lord!” he said. “This shall never happen to you!”

23 Jesus turned and said to Peter, “Get behind me, Satan! You are a stumbling block to me; you do not have in mind the concerns of God, but merely human concerns.

In verse 21, Jesus began to explain to his disciples that he must go to Jerusalem and suffer and die in the hands of the Pharisees and on the third day be raised to life.

And when Jesus predicted his death, Peter took Jesus aside and told him that he cannot let him die. And Jesus turned to Peter and said, “Get behind me Satan”. Jesus said, “You are not mindful of the things of heaven”.

Jesus gave the keys of the kingdom to Peter and appreciated the revelation Peter had that, “Jesus was the Messiah, son of the living God.”. But in the very next verse, we see Jesus rebuking Peter that he was not mindful of the kingdom of God.

What happened to the revelation? We need to think about it. Even though your spouse or relatives are prayerful, sometimes it might look like they are operating with the devil. This might happen to you

when you listen to preaching about giving or paying tithes. This is the spirit of mammon. You are not possessed, but it is a flash of attack.

***Giving is the spiritual law to receive!*** There is no other law. It is the spirit of mammon fighting with you. Give to the Lord and it shall be given to you. People who gave received their miracles and they are blessed. It is a matter of test. When it comes to tithe, God says pay your tithes, When it comes to rent or bill in a restaurant, you do not give, you pay without any discount. Once the revelation comes in your mind and you act accordingly you will prosper! ***Confess: I will prosper. I will be victorious. I shall reign. I shall shine. I shall not lack anything. Because I am a child of God, and the spirit of mammon is broken in the name of Jesus Christ!***

## Identity Crisis

**Sermon Date: 07-07-2019**

The spirit of mammon operates in us by stealing our identity.

***What is our identity?***

We might have a certain identity about ourselves in our minds. We might identify ourselves as a man or a woman or we might identify ourselves with the designation we have in our workplace. We have an identity about ourselves by who we are and what we are.

***After Jesus was baptised by John the Baptist, heavens opened and the Holy Spirit descended on him like a dove and a voice from heaven said, "This is my Son, whom I love; with him I am well pleased."*** So the identity of Jesus was established there!

After being baptized, Jesus fasted for 40 days and 40 nights in the wilderness. After fasting, Satan appeared to Jesus and tried to tempt Him. Three temptations of Jesus are recorded in the Bible. The Bible says that the devil left him for some time, which means that the devil might have come back again to tempt Jesus.

The devil asked Jesus to turn the rock to bread and eat. This was the first temptation of Jesus. This is the spirit of mammon. After forty days of fasting, the devil welcomed Jesus at the gate and asked him to prove if he was the son of God. So the first temptation was the identity crisis.

Devil challenged Jesus to prove if He was the son of God.

The spirit of mammon is the spirit that controls money and says that anything can be achieved by money. We need money to grow, make or buy bread. But it cannot take control over us. It was the spirit of mammon that tempted Jesus in the wilderness. ***But Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word***

*that comes from the mouth of God.”* Jesus knew his identity. He was operating with the identity that He is a spirit from God. My identity is not in the flesh. My identity is not in the mind. My identity is in the spirit.

***Mathew 4:3    During that time the devil came and said to him,  
“If you are the Son of God, tell these stones to become loaves of  
bread.”***

The spirit of mammon attacks your identity all the time. Your identity might be your sickness, your occupation, your failures, your salary, your loans, or it might be your EMI. All the problems become your identity. Because of the pressure upon your soul, you forget the truth that you are the spirit regenerated by Jesus.

You should know your identity to overcome the spirit of mammon. Once you identify it, the spirit of mammon loses power over you. You should know that you are not the job you have, neither are you the salary you draw, neither are you the EMI you pay nor are you identified by your outlook. You are a child of God, your spirit is alive in Jesus, it is vibrant, and it is quickened by the strength of the spirit. We are called to live in the spirit.

***Confess:***

***I am a regenerated spirit. I am a child of God. This is my identity!***

The difference between the world and us is that our spirit is alive. Human beings consist of the body, soul and spirit. No other human

spirit is alive in this world. Others without Christ are living as just body, soul and dead spirit.

Only when we receive Jesus as our saviour, our spirits are quickened and made alive. We become a living spirit. Gurus and Rishis talk about the universal souls and soulish accomplishments, connecting to the soul. They do not have a revelation about the spirit. The only group of people that talk about spirit is the children of God. The only book that talks about spirit is the Holy Bible. They are taught by their masters- the Devil. We are taught by our master- The Holy Ghost.

The devil cannot touch us, because we are in Jesus. The devil can touch the body and the soul, but he cannot touch the spirit. Our spirit is incorruptibly sealed and locked within us by the Holy Spirit. People who do not know Jesus are running around with dead spirits. Their spirit is dead. The spirit that they follow also cannot touch their spirit. It can only touch their souls and their body. We might have seen demon-possessed people, their mind and body would be out of their senses or control. But their spirit is untouchable and it cannot be touched by any other spirit, other than the Spirit of Jesus.

Our identity is in knowing that Jesus Christ touches our spirit and has regenerated us. We are a living spirit. When Adam disobeyed God, he lost the connection with God which means his spirit got disconnected from God. Through Jesus Christ who is called the

second Adam, our spirits got regenerated. What Adam lost, Jesus regained it back for us.

Once we know that our identity is in the spirit of God, the spirit of mammon loses power over us. As long as we believe that our money, fame, car and house are everything, the spirit of mammon will drive us. The moment we understand that money is nothing, the spirit of mammon over our life disintegrates.

### ***Money and Blessing***

People think money is a blessing. But ***the truth is “Blessing brings money”***. We see Esau and Jacob in the book of Genesis. Esau was tall and a strong warrior. He was the father’s pet. In those days strong and big people were glorified. So Esau never cared about the blessings because he was big and strong. However, the blessing of the father belonged to Esau, the firstborn. So legally Jacob cannot get the blessings of his father. But he desired for the blessings of his father. He cheated his father to get the blessings.

Father had told the elder brother Esau to get him a meal, so he could eat and bless him. This was overheard by Jacob’s mother. Jacob was mother’s pet. She planned to cheat the father before the elder one could come who had gone for hunting. Before Esau could come back home, Jacob took the meal to his father. Father ate the food and blessed Jacob thinking that he was blessing the firstborn first born Esau. Jacob knew that if he cheats his brother, he has to run for life.

In spite of knowing that Esau who was strong and tyrant and that he would kill him, Jacob desired and wanted the blessings of his father. So as it happened, the father blessed Jacob, the younger one. Later after knowing what happened, Jacob's father said to Esau that he shall break the yoke of his brother Jacob and he can overcome him by the sword. Jacob already knew this and he had to leave the land, cattle and properties and run with the blessing.

Unlike these days, those days you cannot transfer the money online in a Swiss bank. You got to carry your camel, grains, and sheep. Here Jacob is spiritual, so he ran taking the father's blessing.

Dear Church, Jacob got the blessings of his father. He left behind the money, gold, camel, and everything. The property which Abraham and others had, it came to Isaac and it was there in the house. Jacob did not take anything. He knew that he cannot carry the physical blessing, but he thirsted for the father's blessing.

So we see that blessing is not money. Blessing is not the camel, goat and silver. Blessing is not the bond, the money or the silver you have. Jacob ran for his real-life carrying the blessing.

According to today's standard, the blessing is the father's land, house and gold. Esau thought that Jacob did not know the worth of gold, camel and land. He thought Jacob was stupid that he carried only the word and left everything. He thought he could enjoy all the blessings Jacob had left. But little did he know that Jacob carried the blessings with him. Jacob went far away with nothing in his hand

but what his father spoke over him was in his spirit. He carried it with his spirit. After a few years, he came back with twelve children and a great army, blessed by the Lord, but Esau was not blessed by the Lord and his family was no more counted in the Bible.

***Confess:***

***Money is not blessing but blessing brings money.***

***Proverbs: 10:22 The blessing of the LORD, it maketh rich, and he addeth no sorrow with it.***

***Confess:***

***God bless me. Enlarge my territory.***

If you desire to be blessed today, you will receive it! Just being rich is not a blessing. Blessing is beyond money. It is not money alone. Blessing is beyond anything money can buy. We think home, job, money, good salary are blessings. If we think like that, it is the spirit of mammon.

When you buy a car, it is not just for comfort, you have an identity with that. You connect yourself with the things you have, and how you show yourself. That is the spirit of mammon. Your identity is in the things your money can buy.

Jacob knew this spiritually but, Esau lost it spiritually. Jacob carried the blessings with him. Esau carried all the property but he was cursed. He couldn't make anything in life. But Jacob seems to have lost everything but he carried the blessing.

When you carry the blessing there will be no sorrow, you will have only peace, joy, patience, love and you will love your family. You will enjoy your life with the wife of your youth. This is a blessing. Do you love going back home every day after work or you love going round and round in your apartment before going into your house praying “Lord, Lord save me”.

When you have the blessings of the Lord, your children will call you ‘blessed’, you will be respected in the society and you will be called as the ordained family of God. You will enjoy your youth and the days of your old age.

It is not about how much pension you get and it is also not about how much medical insurance you have. If you have hefty medical insurance you might die in the air-conditioned ward or if you don’t have medical insurance you might spend your last days in the government hospital. So medical insurance is not a blessing. It is just a secure feeling.

The spirit of mammon works in us, making us believe that money is everything. This is a demonic spirit and we have to break up this identity with money.

When it comes to giving an offering, many of us become prophetic. Many tend to take the smallest denomination in hand. That is the spirit of mammon working in you. Love of money is the root of all evil. Having a car or a house is not the love of money. We have to show the world how a child of God can live, be rich and prosperous.

But, if you cannot depart money for giving an offering, that is the love of money. That is an identity crisis.

***I Timothy 6:10 For the love of money is a root of all kinds of evil.***

***The more you sacrifice, the more your altar becomes stronger!***

Your altar brings spiritual strength in your life. When the spirit of mammon comes upon you, the spirit of rejection comes upon you. We break the spirit of mammon by changing our identity. The blessings of the Lord and his words are upon us. We are a regenerated spirit of God. Our identity is ***“I am a child of God”*** and ***“I am a Spirit from God”***. You can either serve mammon or either serve God. Decide to serve God with all your heart.

***Confess: I will serve God. I am a child of God. This is my identity!***

## **Man Living in a Cursed Environment**

**Sermon date: 14-07-2019**

Our mind is the battlefield. If we win our battles in the mind, the blessings of the Lord will manifest physically, diseases and curses will not manifest in our physical body, and the blessings of the Lord will manifest physically! On the contrary, if we lose our battles in the mind, diseases and curses will manifest in our physical body.

***The spirit of mammon makes us run after money!*** Though we run after money and make more we will not be satisfied. The more we make money; the spirit takes it away from us and makes us feel vulnerable.

Though we might earn in lakhs, we will not have peace and satisfaction in life. Money comes from this world. Everything in this world is cursed and under the power of Satan. The spirit of mammon operates on us. Unless we get rid of our love for money or dependency on money, we are under the authority of the spirit of mammon. As long as our mind is operating under that attitude, the spirit of mammon creates situations and challenges to drain our money. As we love money, depend on it and think that money is everything, we open the door for the spirit of mammon. This spirit will create situations and challenges to drain our money even without our knowledge.

Are you getting into the vicious cycle of making money? If so, by the end of the day we lose our joy, peace, patience and good sleep. We lose the confidence and security that God has for us.

It is essential to have the wisdom of God to understand and receive what God has promised us and what He has in store for us. I pray that God will open our eyes of understanding and knowledge. Amen!

Let's see an illustration from the life of Jacob. Jacob with the wisdom of God chose blessings than any other possessions. If we think what blessings without possessions are, our eyes are blind!

That is how the spirit of mammon binds us. Jacob left behind all the possessions. He received his father's blessings and walked empty-handed.

If we don't understand what a blessing is, even if we walk empty handed, it simply means our eyes are blinded and we are struggling. This is a reality that we do not understand. You might think that you are not earning enough and if you earn more like others you might enjoy your life. No. You are just searching after a mirage.

I know a person who was faithful to God. He made crores and slowly moved away from God. For him money became everything. Now he has no connection with the Lord and lost the joy and peace. And now he is back to where he started!

Being a Pastor, I have the privilege to visit people staying in big houses like palaces with a water fountain inside. Their houses will be like the Garden of Eden and they will have the costliest cars. But when I enter their houses, I can see the spirit of mammon sitting on the throne. It will be a terrible situation to see them with no peace and joy. Only fear, confusion, competition and sickness dominate and rules. The children will be scared of the parents, parents will be scared of the children, and servants scared of the manager. Everybody there tries to pull and kill each other. I can see only worry and tension there. I knew a wealthy man who wanted to stay near our house because he feared his family members might kill him for

his wealth. He did not enjoy his life and the wealth he had was not a blessing. After few months, I heard about his death.

Money doesn't bring happiness. Money doesn't design or establish our life. If we think, we have a lot of money and insurance, our children might get the money, but we will not enjoy our present unless we are delivered from the spirit of mammon. Our minds might always be bombarded with the thoughts of money and making money. Money is a servant, it's not a master. Money should be used for serving.

If we think someone is blessed because of the car they drive or outfits they wear, we are still operating in the identity crisis. We might think the reason for no joy and peace in the family is because of insufficient money. It's time to fix our identity crisis. Unless we know who we are, we will operate in poverty. We will not be able to rise from where we are. We need to know our calling and understand how He sees us. We need to know the destiny God has for us and then move in that direction.

Money in the kingdom of God is called as a provision. ***All our needs are provision!*** Once we start walking in the right direction, all our provisions will follow us.

***Confess:***

***I will keep walking. My provisions will follow me.***

As we walk in the right direction of our call we will become money magnets. God will provide all our provisions by His glorious riches to glorify his name. We need to understand how to operate as a parent and as a son or a daughter. We should walk in the direction led by God. When we start operating in the joy, power, authority and the direction God has in our life, we will rise from where ever we are! As long as the spirit of mammon is sitting on our shoulders, we will not know that God has called us to become leaders and head in the same company which tries to push us out. Once we overcome we will know the plan of God in our life. The spirit of mammon clouds our eyes and our destiny by bombarding with a lot of negative emotions. We will not be able to even sense the great things God has kept for us.

In the Bible, we can see Joseph and Moses fighting this spirit. It confused their identity and their call. David was supposed to be a king, but he thought that he would die. Daniel was supposed to be the king's deputy but he thought he would die in the lion's den. Joseph was supposed to be the king's finance minister but he thought he would die in jail. Mordecai, Esther and the Jewish clan thought that it was the end, they thought that they were going to be killed, but Aman was hanged in their place.

**Confess:**

***I shall win. I shall reign and I shall be victorious because Jesus is in me.***

The very simple fact that we are the children of the highest spirit Jesus, we shall not be defeated. Amen!

You need to know your call and when you are operating on that call and when you know the truth that Jesus is the true spirit of God, you shall not be defeated.

**Confess:**

***I shall not be defeated.***

Once we know our call, the authority of mammon breaks in our lives!

We are living in a cursed environment. I'm not talking about our home or apartment or wife. We will live in this world which is cursed until Jesus comes back, destroys it and creates a new one.

**Confess:**

***I am living in a cursed environment.***

***I am a blessing. I am the light of this cursed environment.***

In this dark environment, we are the light. Whatever I am, where ever I am, whatever I do, I am the light of this world. Curses are negative declarations upon people, land, animals, and possessions. Whatever we call as blessings Jacob gave it off to receive his father's blessings. ***Jacob's father blessed him with his word.***

**Confess:**

***Jacob was blessed by the word.***

For a curse or a blessing to come to pass, someone has to speak or pronounce it. Unless it is pronounced it is not cursed or blessed. That is what we see in the life of Jacob. Jacob gave up his land, his animals and all his possessions that we call as a blessing. Jacob's father called him and pronounced blessings over him. Jacob sacrificed everything and ran for the blessing of his father. According to the worldly standard, this might be stupidity, but according to the heavenly standard, it is wisdom.

When spiritually active people pray and speak words, you will receive it. But it may not happen all the time. So you have to speak it over yourself. As the spirit of Jesus is in us and we speak with the spirit of Jesus, whatever we speak will manifest. We are our prophets!

***Confess: I am my prophet.***

You need to speak what you want to see. On the contrary, we tend to speak what we see. There is a lot of difference between, speaking what we see and speaking what we want to see. You need to speak what you want to see.

***Confess:***

***I will speak what I want to see.***

Take a step of faith, because every step you have taken is blocked by the devil. Just live as it comes. As you are under the anointing, you will overcome and be victorious!

***Confess:***

***I will see what I want to see. I will speak what I want to see. I will not speak what I see.***

**We read in Genesis 1:1-2**

**1** In the beginning, God created the heavens and the earth.

**2** Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

Everything in this world was created by God and then God created Adam. The first command God gave Adam was to subdue and rule over.

Whom did God ask to subdue? God asked to rule over and subdue the other spirit there. Unless you do not subdue the other spirit, you cannot rule over. Though man has the spirit of God, he has to consciously use the spirit of God and the authority given to him, to subdue the other spirits.

If we don't delegate our power, through our mind and our attitude, then it is like we don't have power. Adam had the power, but he lost to delegate it through his soul. Adam was very alive than any of us because he was filled with glory and he was spiritually alive. Adam failed as he didn't delegate his authority.

***Confess:***

***Subdue and rule.***

The spirit of mammon would create situations in our life so that we don't believe in what we are. We might not be able to believe in our calling. Did you ever think that Joseph imagined that he will get to the top except in his dream? We might only have a dream. Situations might never support our dreams. All that Joseph had was his dream. All that David had was the word and the anointing from the prophet. All that Mordecai had was the hold that he was a Jew and he would not bow before any men. We all are spiritual Jews. What Moses had was just a word.

The devil tries to disturb everybody who walks in authority. He tries to diminish the work of God in their lives. We need to empower ourselves with the word and promise of God.

**Confess: *I will empower myself with the promise of God. What God says I am, I am. Where he says I am, I am there.***

***We read in Mark 11:23, For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says.***

**Confess:**

***Today I am rejuvenating it; I am rising from the dead. I will read the promises God gave me.***

***My calling shall not be destroyed. Whatever, God called me to do will come to pass in Jesus' name.***

This faith is not for a day, it should be a constant lifestyle. Adam had more power than any of us. He was filled with glory. But yet he could not use his authority in the mind and he lost it terribly. If you believe and confess, you will not be destroyed, you will not be put to shame. You will rise in the name of Jesus.

***We see in Proverbs 18:20, 21 A man's stomach shall be satisfied from the fruit of his mouth; from the produce of his lips he shall be filled. Death and life are in the power of the tongue, and those who love it will eat its fruit.***

The word says, "The fruit of your mouth". It does not say the fruit of your mind. You need to speak and believe. You have to confess. There are spiritual laws that you have to adhere to. God has given us the tongue and the mind; we have to use it for the right thing.

***Confess:***

***I will use my mouth, tongue and mind for the right thing.***

Jesus at the tomb of Lazarus said, "Lazarus come out". Someone had to speak life over him. You have to speak over your life, you are your prophet. What you speak is important.

Your mouth is the spiritual interface from where blessings and curses come. Your mouth, your tongue, your lips have to articulate, to bring blessings in your life. Never use it otherwise. Sometimes we speak what we see, what we believe, what everybody tells about us. Even when the situations are negative, we are not supposed to speak negative.

***Confess:***

***I will not speak otherwise. I am my prophet. I have the authority,  
I am chosen, I am victorious and I am invincible.***

***I Peter 3:10 For “He who would love life and see good days, let  
him refrain his tongue from evil, and his lips from speaking  
deceit.***

The rudder is a small part of the ship. Modern ships have rudder a thousand times smaller than its size. That small rudder can change the course of the ship. Your tongue can similarly change the course of your life. Whatever you speak stays around you, it sleeps with you. Even though the tongue is a small organ, it has the fire. It defiles the whole body. You can use your tongue to defile your body or set your body right. You can bring blessing or curse by the same mouth.

***James 3:4 Look also at ships: although they are so large and are  
driven by fierce winds, they are turned by a very small rudder  
wherever the pilot desires.***

If you wish to have good days and a good life refrain from speaking evil. Stay away from talking negative. We may not talk about others, but we tend to speak about ourselves. It is the spirit of mammon working in you. You speak deception over you because of ignorance. Whoever guards his tongue and mouth will keep his soul from trouble. Bible says, “My people perish because of lack of

knowledge”. In this context, we perish because we do not know how to use our mouth and tongue.

***Hosea 4:6 My people are destroyed for lack of knowledge.***

If we know how to use our tongue, we will survive, else we will perish. This is a spiritual law. When you say that you are lonely or you are broken, you are cursing yourself. God has nothing to do in this triangle; it's you, your word and your curse. Rise up and take your authority. Shake the spirit of the mammon of you. It cannot sit on your shoulders.

What goes in does not defile man but what comes out defiles a man. If you talk negative and all unnecessary things, then you are prophesying it over yourself. You are talking death into your life.

***Another act to break the spirit of mammon is your sacrifice!***

When you take your sacrifice to the altar, you speak over your sacrifice. When you take your tithes, place it on the altar and speak, that is your sacrifice dying instead of you. It will bring life, prosperity and peace. We need to give the best to the Lord and place it on our altar or prayer place and speak over it to receive wholesomeness. That is the first place you start speaking right. Anything you do in spiritual without sacrifice is not sealed. We have to speak life over anything coming out from this cursed environment.

After you speak over your sacrifice, you are creating life in the worldly mammon that comes in your life and it shall be well with you. This is how you overcome the spirit of mammon. The spirit of mammon breaks at that point.

**Confess:**

*I will break the spirit of mammon with my sacrifice.*

***II Corinthians 9:7***

***So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver.***

You should be happy about what you give to the Lord. Do not do it as a compulsion. If you give you will be blessed.

My uncle who was a doctor passed away two years before. He had a debt of four lakhs. I got to know that he owed some money to some people. They did not know I had the money, I was not in the deal but I paid his debts. My aunt had fifty thousand in her account and I got few things for church with that money. But later I found a piece of paper in which it was written, to whom that fifty thousand belongs. It was not registered, it was just written in a piece of paper.

My uncle and aunt had adopted a girl and were supporting her studies. Their desire was to give those fifty thousand rupees to her. She is a nurse. She is doing fine. She was in Bangalore and I tried to locate her. But she had moved somewhere. Some days later when I found that she was in New Delhi, I contacted her and sent those fifty thousand to her.

I stand in the presence of God with clean hands. I can talk about it. The Lord was truthful and faithful to me. I speak with authority because I know what I have done. This is a spiritual law.

***I pray that, may the Lord open your eyes of knowledge and understanding to break the spirit of mammon in your lives. Amen!***

**Sis.Joanna Testimony:**

My name is Joanna, I have about 14 years of IT work experience and working as a Technology Lead in one of the top MNC's. Right from the beginning, I was always assigned to high pressure projects, and there was no work life balance. This continued even after I got married. I have a son who is now 9 years old.

While there are numerous instances where God has blessed me, I would like to share one incident as my testimony.

In June 2017, I was assigned to work for an Australian Telecom Giant

I already heard that it is the "baap" of all high pressure projects. However, since there was no other project available, I prayed about it and said "Lord if this is not for me, take it away". My immediate manager assured me that in case I find it difficult to handle, he will release me in 2 months. I was naïve enough to believe him but what I did not know at that time was that it was impossible to get a release.

I joined and realized that the project indeed lived up to its name. I tried to do my best, managing the track I was given for a couple of releases. Always I was put into releases that had high visibility and were extremely demanding. To ensure that the team had the things they need to pick up when they come to office, I used to wake up at

4am to analyze and plan for the day and my day would finally end at 10-11pm in the night and still there would be so many issues and I was bombarded on every side by managers. I would attend calls back to back from 8:30 am till 1:30 pm. My eyes used to just dry out and I would start feeling feverish by 1pm. No breakfast, lunch or dinner and the same my family had to go through. My husband supported me a lot and took on most chores at home. My son would keep asking me for food and I would not have the time to give him anything. I would remain sitting at my desk for long hours and I started putting on weight. My situation was bad and getting worse.

I finally asked my manager for a release in November, to be exact November 22nd. I was past my 2 months window we agreed to in the beginning. We discussed and I told him that I need a release by January end as my mother will be coming to stay with me for the next 6 months and she is very old and I need to care for her and we definitely cannot continue on food delivery apps. He just left it at - let's try to work it out.

And then something changed. But as pastor says the battle is far from over!! The very next month my manager changed. She would call me at 1am to ask me to login and check something because it was critical. The tech lead for my track was away for three weeks unannounced, she would not be reachable over phone or mail. We had no clue when she would connect. Since I was from a technical background, I had to take that up too. Once I worked day and night for 3 days at a stretch.

In January, I had my appraisal discussion with my earlier manager as for the appraisal period I was reporting to him. In the course of my discussion, I reminded him of the release and he told me that he would not be able to release me until end of February or mid-March. I was totally disheartened and I knew I could not continue any further. I prayed about it and left it to God and went about my extremely busy schedule.

On January 21 exactly, two months from November 22nd, my friend from the Talent Deployment Team, sent me a message congratulating me. I immediately called her and she told me that she received a mail from my manager that I was going to be released in 3 days. I almost did a somersault in the bay. Thanked the Lord. Though my date for release was decided as 25th January, it was extended till January 31st.

My manager, on the day of my release said, “it was good working with you Joanna, it would have been great if you could continue. And then she added, “I heard this release came from someone higher up and we could not do anything to retain you”. I mused and added “Yes, I spoke to someone really high” and thought in my heart, “higher than any other name !!”

As I ponder about it, I am amazed how God worked a miracle in my favor and per my demand of a release at the end of January. While it was a nightmare, I believe I really needed this project to learn a lot of lessons, and God had a plan for me, preparing me and in due time

also planned for my release. God is simply amazing and as Mary pondered in her heart, we also need to ponder on all the things that God has done in our lives.

A lot of people after this asked me, “Joanna, what did you do, tell us so we also can try for a release”. I told them “I prayed “. While most people gave a puzzled look, one actually told me he too would pray!!!

I am now in a project that has a management with a conscience!! I am able to manage my work and home beautifully.

As the pastor always says that in the dead of the night the Lord is working in our favor. It is true. We need to hang in there!! I wish to give all the glory honor and praise to my heavenly Father and to pastor for his encouraging words!

I don't know what the future holds for me, but I know the one who is holding it and I trust him completely!!!

**Sis.Kalai & Bro.Suresh Testimony**

Myself Kalai and my husband Suresh started attending ELAG church since 2016. Ever since we came to this church we are growing spiritually. We both received the Holy Spirit during the night prayers, after which things started changing in our lives. Foremost thing, is that the experience of living a victorious Christian life became real. To emphasis this, I would like to share a few incidences, after being part of the night prayers. About a week after receiving the holy spirit, I started sensing some kind of darkness in my house. I spoke to Pastor regarding this and he told me “if God is showing you something, he will also give you the strength to drive it out”. So, I started praying in tongues, rebuking it but was unsuccessful. That week, in the night prayer, Pastor spoke on Ephesians 1: 18-22. I personalised the verse for myself and started confessing that “the same power is in me which God exerted when he raised Christ from the dead and seated him at his right hand of the father and God placed all things under his feet; I am seated with Jesus on the right hand of the father and devil is under my feet”. The same day, I felt the deliverance in my home. The mark of a good spiritual leader is, to train his people to stand independently and face their adversaries, to speak the biblical truths and God-given revelations boldly without fear yet not offending anyone and to have a compassionate heart for his people. I have observed these qualities in our Pastor in several occasions. So, I can gladly and confidently say that we are under good leadership, this

motivated me to attend the night prayers regularly. Three years back when we came back from Europe, my only prayer was, “Lord take us to a church where we will grow in you and become more like you eventually”, and I think God has answered my prayers.

We have been married for 7 years and we didn’t have a child. I have tried several treatments, including hormonal treatments and the medicines that I took made my life miserable. My parents were very concerned and they took me to IVF centres. Every time I was at the hospital, I felt very restless, I felt that being a Christian I am doing something against my faith. I felt that I am declaring that my God is incapable of doing anything about my situation so I am running to doctors. I was struggling between the reality of life and faith. Through all this, Shimi sister and Pastor stood as a pillar of support praying and encouraging me to have faith. At one point in time, I decided to stop running to doctors and to stop every treatment and decided to wait on the Lord. I gained the faith and strength by attending the night prayers and every message of Pastor strengthened my faith. I told my parents boldly that my God whom I worship will give me a child and I stopped every other treatment. I realised that once I stopped running in my own strength God started working in me. I started praying in tongues every day at least for an hour. I gained new spiritual strength and things started changing in my life. **In Dec 2018 I conceived naturally without any medical intervention.** As Pastor keeps telling let doctors do what they can do and let God do what he can do. Doctors indeed have limitations

but my God the Lord of all spirits “Jesus Christ” is a miracle-working God. Through my experience, I could only say that **there is nothing impossible with God**, I have learned to stop running in my own strength and doing things according to my logical understanding. The key is to wait on the Lord shutting away every negative thought and fear, just focusing on the promises of the Lord. Every time I prayed in tongues, I felt a new spiritual strength to rebuke every other authority and fear operating in my life. I strongly believe that as I became strong spiritually the things that were blocking my God-given destiny started opening up. I could have got a baby through IVF or other medical procedures but the joy and happiness in receiving purely from God is nowhere comparable. Now we both stand as a testimony in front of my family members and relatives who are Hindus. We now boldly tell them that we serve a living God who is a miracle worker. There are no words to thank Pastor for leading us in the truth and opening our eyes to spiritual reality.

I would like to share few testimonies at my office as well, I work as a Scientist in a research Institute. To establish my own lab, I had to write grants. I wrote two grants to the government and both the grants got sanctioned and I have established my own lab with a grant of 40 lakhs. Throughout India, the grant was given only to 100 women scientist and 99 of the chosen were from CSIR Institutes (Central Govt) and I was the only one who got the grant working in a non-CSIR Institute. **I knew it was purely God and God alone. I**

**give Jesus all the Glory, for he makes his people “head not the tail”.** Recently in July 2019, my research paper got published in International Journal of Nanomedicine with high impact factor which got me a lot of recognition in the Institute. I have also seen God’s favour over me in my workplace, for it is written: **“do not touch my anointed”**. I have seen the downfall of people who tried to mess up with me, unwantedly. One of the faculties even left the Institute. My confidence in the Lord has grown so much that if anybody tries to get in conflict with me, I don’t even feel agitated instead I laugh from inside and feel like telling them “come, come next is your turn”. I do not even feel like arguing or defending my point, because I have learned, **if I keep quiet, my God is going to defend me**. I think this is called as **entering the rest of God**, just being in confidence, doing nothing and watch our adversaries fall. Earlier I didn’t have this confidence and peace in me, I used to get anxious and try fighting my battles in my own strength. I think God alone can give us true peace and rest in every area of our lives, if only we can stay calm, stop fighting our battles and see God in action. I received these revelations from the night prayers in our church and started operating on what I learned.

Similar things happened with my husband in his office. He is currently working for a UK based company; he has applied to Mercedes Benz 2 years back. Recently he received a call from Mercedes Benz, they took his CV from their database and they offered him Principal Engineer position (next to Manager) which is

twice higher than his current position. Now that his current company doesn't want him to leave, they offered him all possible perks, hikes and even onsite opportunity to completely relocate to UK. Since we were not interested in relocation, we refused the offer and accepted the offer from Benz. Though we never looked for any of these opportunities, it just came knocking at our door and we know that it is **purely God - "a man with diligent hand shall stand before kings and not before ordinary man"**. My husband's hypertension (bp) is also becoming normal after Pastor had prayed over him. We are thankful to Jesus for his grace and mercy. The biggest turning point in our life is finding ELAG church and being a part of it. God has given us greater visions and promises in our personal life and in ministry. So, yet more testimonies are to come, as we keep growing in the Lord.

God bless,

Suresh & Kalai
