Being Led By the Spirit

Can you receive insights from the Lord each day? Yes...You can!

God took Moses and the Israelite people to a new place, which was not in their itinerary, which they never knew and never saw. But then, why did God take them like that? The reason is, God wanted them to depend on him in every step.

The Israelites were depending on Moses, every time they wanted to live their life and they rebelled against Moses. They always wanted to know the progress and have a plan.

Many times, we depend and try to live by our plans. Living by our programme is the physical way of living. You might ask “what else Pastor? How do we live?” By living in your plan, you live by flesh and soul but God called you to live as a spirit.

If you want to live a victorious life, if you want prophecies of your life to manifest, if you want to be blessed, it is all in the spirit! We must be aligned in the spirit, and be led by the spirit.

It means we should not be led by the physical or the soul, the logical mind or by the emotions of our body.

When we go back to the Old Testament, the spirits of people were not alive and not aligned with God. But the spirit of Moses was alive and aligned with God.

Now, where was the plan of Moses while leading the people in the wilderness? It was in the spirit. The mind, emotions and logical

understanding of Moses did not know it. Emotions of Moses wandered some time and he was arguing with God.

The leader who was supposed to lead the people into the wilderness was having no GPS or map and was completely blank. His plan was in his spirit!

You might be in the wilderness, there might be prophecies spoken over you, word of God given to you, but it may not be manifesting; which means you are not moving forward, you might not be in a location where you can receive, because you are not aligned with the spirit.

Though prophecies are given in the spirit, people are going round and round because they are not aligned with the spirit. They are always fighting against the move of the Holy Ghost. Moses knew nothing but everything was in his spirit.

When Moses came across the Red Sea, he did not know what to do. The spirit of God led him in every way. Moses did not know how to go in the wilderness, how to work in the wilderness, which turn or direction to take, where to get water and food. He even didn't know in which direction Canaan was. But he kept going as the Lord led him in the spirit.

When the pillar of cloud moved, Moses and the Israelites moved. People were blindly following Moses because the Bible says that, 'People saw the glory of God but Moses knew the ways of God. People were seeing with their eyes but Moses was sensing in the spirit.

Then there came a place called Marah, where the water was bitter and the people could not drink. So the people grumbled against Moses, saying, "What are we to drink?" Moses prayed earnestly to the Lord and the Lord showed him a piece of wood, which he threw into the water and the water became fit to drink.

We think, it is in the flesh but it is in the spirit. The next step of your blessing is in the spirit. It's not in the rock that you see. It is not in the manager that you see. It is not in the big office cabin that you see. It's not in the next mall and not even in America but it's in your spirit. So do not try to look, hear or think but always carry it in your spirit.

We might think God could have given the print out of the map to Canaan. We might think, if God could have given a blue print, what a life it would be? God says, 'Everything is in the Spirit'. The devil cannot touch the spirit. What is spoken over you is there. But we leave that and run around trying to get and reach by our flesh, but it is in our spirit.

Confess: They that wait upon the Lord shall receive in their spirit!

God is a spirit and He can operate only in spirit. Some of us are still in the same place for months and years. We think its fine. Whatever we received is in the spirit. It has to be maintained and sustained in the spirit. The devil is like a roaring Lion trying to devour whomever he finds. What you have got in the spirit, should be saved in your spirit. If you don't go to the next level, you will be

stagnant in the same level. Living things either grow or die. You got to be in some progress.

That is the reason why God gave Israelites one thing at a time because it was being revealed in their spirit one thing at a time. They were not bad people but just like you and me. They just wanted the plan in hand.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

Phil 4:6-7

Israelites tried to walk in the flesh. They walked by what they saw, but God wanted Moses to walk in the spirit. You are a spirit and God is a spirit. So, move according to the spirit.

The church is not a place just to come on a Sunday and go back. The church is a family where we come together, pray and receive. We care for each other and if you believe in what is being told, you shall grow and rise with this family. By the very reason you are under this anointing, you are called for something great.

When the calling is great, oppression is also deep. Whether you like it or not, either you shall be raised or you will be slaughtered. When

Chariots Of Fire by Ps. Oswin Jamestudd

you are called, your battle is great. It is good to say, “I will go from glory to glory and rise from strength to strength”. But the moment you say that the battle inside you increases. You got to stay connected, listen, learn and apply. You have to be plugged in. If you pray, you will be connected with the presence of God. You will be led by the spirit and you will know what to do! Amen!!

Kingdom of GOD

The kingdom is the dominion of the King. A Kingdom is based on a King. When there is no King there is no kingdom. People pay tax to the King and he dominates, dictates and rules his territory. Jesus talks about the Kingdom of GOD and when we think about the kingdom of GOD there are certain verses that come to our mind.

We see in **Mathew 6:33**,

Seek ye first the Kingdom of GOD and his righteousness and all these things shall be added unto you,

Which means the Kingdom, the King and the dominion of God. All these things which Jesus means here are everything that we need. Every physical thing shall be added unto us if we seek the kingdom of GOD. In the same context, Jesus says in **Luke 17: 20-21(NIV)**

²⁰ Once, on being asked by the Pharisees when the kingdom of God would come, Jesus replied, “The coming of the kingdom of God is not something that can be observed,

²¹ nor will people say, ‘Here it is,’ or ‘There it is,’ because the kingdom of God is in your midst.”

The Pharisees were trying to understand where and when would the kingdom of GOD come. KJV says, **“The Kingdom of God is within you”**. So the Kingdom of God is in us. The dominion

of the King is in us, and Jesus says “Seek the Kingdom of GOD”. We need to understand that we are a spirit, the soul is the personality and the spirit of God is living in us.

1 Corinthians 2: 9, 10 “No eyes have seen, no ears have heard, and it has not occurred in the hearts of man what GOD has in store for those who love him. But he has revealed it to us by his spirit.

Firstly, our physical body doesn't know what GOD has in store for us. So our physical body reacts weird based on the impulses of what we sense and feel. Secondly, it has not occurred in the hearts of man means, no soul knows what God has in store for those who love him.

Heart or soul is the logical mind and the emotional mind. Sometimes emotionally we might feel drained out and we don't feel like God is listening to us or anything is going to happen and in our logical mind, we don't feel things moving forward in our life. Our soul doesn't know what God has prepared for us.

But God has revealed it through our spirit, only our spirit knows what God has prepared for us. And here Jesus says, “THE KINGDOM” – The King and the Dominion of God is in us.

Righteousness, peace and joy come from the spirit. No man in this world can have joy and peace except the one who has the spirit of Jesus. Every person connected to another spirit has a lot of emotions connected to that spirit. Jesus is the only spirit that gives Joy, Peace and Wisdom. So the Kingdom of God is in our

spirit. The Lord dominating over us, through us and around us is the kingdom. So seek the will, destiny and plan that God has for you.

We seek things that are right to our emotional and logical mind and that is what we call stress. We react and we believe what our body tells us, what we hear and what we see. And secondly, we react and believe based on our experiences.

As children of God, we are called to react and believe what the spirit says about us. When you say that “I will not die, I will live” and if you can believe it, you will have rest in your mind and your emotions.

If you live as a child of the most high God, guided and strengthened by him, you will not live by what you see in the physical, but you will live by what the spirit says.

Let's read from **Luke 17:22-25**

22 Then he said to his disciples “The time is coming when you will long to see one of these days of the Son of Man, but you will not see it.

23 People will tell you “There he is!” or “Here he is”. Do not go running after them

24 For the Son of Man in his day will be like the lightning, which flashes and lights up the sky from one end to the other.

25 But first, he must suffer many things and be rejected by this generation

Jesus says the day will come when you will long for this day that you are spending with me physically. But when you are longing, people will say “There he is, and here he is”, but don’t go running because it will be like the lightning which starts from one end to the other end, so bright, so quick and so clear. Lightning just comes and before we say “There it is”, it goes. And it is very bright and it’s very profound and we know it.

God is prophetically saying that He is going to operate as a Spirit. The power of God will be seen as lightning. But it will just move out. It will just be everywhere. If you are in the kingdom of God, you will start moving and operating like how Jesus operates. If you are sensing and guided by the spirit, you will know how to operate.

If you are led by the spirit, the moment you enter into a boardroom or an interview, no matter the person sitting there might be hierarchically above you in the company, you will sense the oppression, the challenge, and you will know that you are above everything, and you will know what you are supposed to do. If you do your homework of praying for hours in the spirit, this is how you are called to operate as a child of God.

We need to prepare ourselves spiritually to face any situation or challenges. We have to enter that room and face the situation or face that person with authority. We need to create it or else you

might feel the weights upon your shoulders and you won't be able to talk or you won't be able to do it.

Pray also for me, that whenever I speak, words may be given me so that I will fearlessly make known the mystery of the gospel. Ephesians 6:19

Paul says "Pray for me also that I would be able to speak when I stand before the kings. Paul wrote so many things, do you think he had a problem with speaking? He was a great orator by birth. But he says to pray that, words will come out of his mouth. He is talking about spiritual oppression here.

And did you know when Paul preached, the king said, "You are almost making me a Christian". This was because of his prayer and the people who prayed for him. Not because of the wisdom that he carried, not because of the oratory skills that he had. It's spiritual.

So I want you to pray, pray for me, pray for the church, carry the atmosphere of God. The most important thing is that everything is spiritual. We overcome everything spiritually. The Kingdom of God is in you, you carry it.

Let's continue to read a few verses from the book of **Luke 17**

26 "Just as it was in the days of Noah, so also will it be in the days of the Son of Man.

27 “People were eating, drinking, marrying and being given in marriage up to the day Noah entered the ark. Then the flood came and destroyed them all”.

People were eating, people were drinking, people were marrying, people were going to parties, people were dancing, people were living like there is no tomorrow

28 “It was the same in the days of Lot. People were eating and drinking, buying and selling, planting and building”

29 But the day Lot left Sodom, fire and sulfur rained down from heaven and destroyed them all

30 “It will be just like this on the day the Son of Man is revealed”

31 “On that day no one who is in the housetop, with possessions inside, should go down to get them. Likewise, no one in field should go back for anything

32 “Remember Lot’s wife!”

33 “Whoever tries to keep their life will lose it, and whoever loses their life will preserve it”

34 “I tell you on that night two people will be in one bed; one will be taken and the other left”

35 “Two women will be grinding grain together; one will be taken and the other left”

Noah had a revelation of God and he preached that rain will come. People did not believe it because until then there was no rain.

In the time of Lot, they said the fire was going to come from heaven. But the people and Lot's wife herself did not believe. Fire came and it destroyed everybody.

So Jesus says, "If you try to save your life, you will lose it". We see in Noah's time and Lot's time that people thought this was life and they thought what Noah said was nonsense. Though the people could sense that he was doing something, they did not believe it. They did not accept it.

Jesus says that this is how it will be when the Son of Man will be revealed. Jesus is revealed and God is being revealed into our lives like never before. Through the internet, we can see the mighty work of God and we are sensing it. Though Jesus is being revealed to us, many times we tend to take back.

We need to have all the physical blessings in this world, but the concept is "How are you seeing your life, Jesus and the world"? "Are we making the right choices?", "Are we desiring to seek the kingdom of God?" or "Are we thinking that, God is very powerful, but let's enjoy our life now."

Jesus says, "If you lose your life you will gain it. But if you try to gain your life you will lose it". So the choice is in our hands. We are the product of the choices that we make physically and spiritually.

Jesus said, "It will be like the days of Noah and like the days of Lot when the son of man is revealed." But people are busy making money, having fun, having parties, having enjoyment and going around everything making them known, making them famous, and making a lot of things around them. But when we talk about prayer and church, that is the last thing they want to do.

Losing life is losing your spiritual life and your spiritual strength. And in the day of trouble when you face the enemy, when you are faced with challenges, you might try to pray and beat your wings but you can't even fly like a chicken because there would be no spiritual strength. What you choose is what you will gain.

Confess: King Dom – King Dominates. I'm a King, I want to dominate.

I'm talking about dominating in the spiritual realm. No evil spirit should be able to stand against you. Wherever you go, you should dominate, you should strengthen yourself, become stronger in the spirit. Then you will not fear, you will not be confused, you will not be in anxiety, you will not have panic attacks and stress, because you are a spirit-guided and led by the Spirit of Jesus!

Power of your tongue

In the Book of Luke chapter 11 verses 20-26,

20 But if I drive out demons by the finger of God, then the kingdom of God has come upon you.

21 When a strong man, fully armed, guards his own house, his possessions are safe.

22 But when someone stronger attacks and overpowers him, he takes away the armor in which the man trusted and divides up his plunder.

23 Whoever is not with me is against me and whoever does not gather with me scatters.

24 When an impure spirit comes out of a person, it goes through arid places seeking rest and does not find it. Then it says, 'I will return to the house I left.'

25 When it arrives, it finds the house swept clean and put in order.

26 Then it goes and takes seven other spirits more wicked than itself, and they go in and live there. And the final condition of that person is worse than the first.

Here, Jesus is talking about a war where an enemy force comes and attacks his children, his people, in their own house and their comfort zone. And then he says, whoever is not with me, is against me and whoever does not gather, gets scattered.

You may think I don't gather and I don't scatter either, as I'm neutral. That's not possible; you will either gain or lose. This is the nature of the world, you cannot be constant.

There is nothing stagnant. Either you are gaining strength or losing it. You might be gathering for God or scattering, either you are with Jesus or against Him. We might be shocked to hear that we can be against God, but that's what Jesus says. If you are not creating an impact, you are losing what is given to you. You might be a liability! When you are not aligning with the Spirit of God, you are aligning with the other spirit.

What happens when you are not aligning with the spirit of Jesus? You might be a child of God; you might be born again and you might be a believer, but at that given moment, in which spirit are you operating on! If your heart is in anger or irritation and you are worried or tensed, you might be attacked spiritually and you may not be operating in the right spirit. We need to take time to prepare and strengthen ourselves to operate in the right spirit.

If you are not operating in the right spirit and operate with emotions of the evil spirit like irritation, anger, depression, fear and confusion, when you come to church you are not gathering with God, you as a person are scattering in that place. If you are not operating in the right attitude and the right move, then you are not aligning with the spirit, and you are not with God.

We need to prepare ourselves by praying "Lord I am going to your presence, let me carry the right attitude; let me carry the

right strength; let me operate in the right spirit. Amen!" I encourage you to be with God. Jesus says, whoever is not with me is against me; whoever does not gather with me scatters.

Luke 11:24 says "When an impure spirit comes out of a person, it goes through arid places, seeking rest and does not find it".

You might come to church with a heavy spirit, or with spiritual attacks, worry, tiredness or guilt or anything that is on you. When you come to church, you get delivered, you might feel the touch of the Lord and that spirit leaves and you feel free.

That spirit left you because of the power of God in the church. And the spirit goes through arid places seeking rest and does not find it. Then it says, "I will return to the house where I left and it will come back to the house to find it clean swept, put in order". Then it goes and takes seven other spirits wicked and stronger than itself and goes in and lives there and the final condition of that person would become worse.

Though the spirit leaves us, when we are not aligning to the knowledge that we know, we create a curse upon ourselves. In the Bible, wherever we see that, there is a blessing or a curse, there is a word spoken. Unless it is spoken, that curse doesn't come to pass; the blessing doesn't come to pass; it has to be spoken by a spiritual source.

How does the devil operate in our life? Devil cannot operate in our life until we speak its way within us. We create our curse.

You might think where did I create my curse? When did I call the devil to come and create cancer in me? You might not know it, but you would have spoken over it a long time back, with or without your knowledge. Your parents might have spoken over you or someone whom you trust might have spoken over you. Or you must have opened the doors for the devil to come inside.

When some people come and share everything about their life and experiences, I can see how this curse came into their life. And when they rewind their life a little bit and take it back to 10 to 20 years, they would see and confess with their mouth, that this is what I spoke, this is how I envisioned my life.

Devil cannot enter your life; he cannot get into your life unless you open the door.

This is true and very clear that if you are a child of God, governed by the presence of God, the devil cannot enter your life!

How do we open the door? We open the door to the devil in so many ways. Fear is one of the weapons of the devil. Devil can create circumstances of fear and when you are not strong enough or you become fearful, the devil can enter your soul.

Probably, if you are fearful of snakes or darkness or heights etc. and you might be operating on that fear and you have never sought after to overcome that fear. The devil knows it very clearly because you already spoke on it repeatedly and you know you've been talking that, "I am fearful of height".

Whatever you speak, is established in your life! Do not talk about anything negative.

Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour. I Peter 5:8

A curse is something spoken negatively over you; a blessing is something spoken positively over you. When you speak negative, you speak a curse over your life. When you say, I don't think that will work out; I don't think that will be successful; I don't think I will get that; I don't think I will get this, the devil creates situations and you speak because you are already full of it.

You are speaking a curse over your life, your spouse, your children and you think that is what is happening. That is how it looks like! What is spoken by the soul is what we receive! What we speak is an investment in our life, but the devil creates situations.

When you quarrel with your wife and say “By living with you I will get a heart attack and die”. Do you mean it? Do you want to die tomorrow morning? Do you want to die premature and leave your wife and daughter to the pity of others? No. But the situation is created in a way that you speak like that and that is what you become. You are creating a curse in your life by your tongue. *The devil cannot enter you unless you are weak.*

When a positive word is given to you, you receive it. In the church, you receive the word through preaching. As soon as the church gets over, you forget the word and you live your life like everyone else. You don't even mention the word. When was the last time you thought about the word? When was the last time you meditated about that word? No, you don't do that. You say that the sermon was good, but you don't know what was good; you forgot about it and you live like everyone else. There is no change in your word, in your attitude and in the perspective of how you see things.

Jesus told a parable of a sower. As a sower, I'm sowing every Sunday morning and you receive it. Wow! I got a seed, yes I receive it. Good that you received the seed, but how is your heart? Some of your heart is like the dry land, where the birds will pick the seed. For some people, it is a little better. It is like you are in the thorns. You say, "Yes, I receive it", and then you go out and talk about it. The plant cannot grow because of thorns or painful situations.

Some others are hard like the seeds fell in rocky soil, the seed grows but they perceive to have unrelenting thought and logic. So your thought is like a solid rock, little germination can happen but there is nothing effective. Very few seeds fall in good soil and nourish. So you need to be careful about your heart and the words that come out of your heart. Guard it with all conscious.

The word received has to stay in your heart; you need to meditate on it; you need to consciously so that, the word it will bring forth life. You should allow the Holy Spirit to work on that word and then the word will bring forth life. The prophetic word you received, that made you ignited, energized or created fire in you; that should be allowed to grow in you. Cover it; enjoy it; be careful with what you got inside, otherwise birds will come and pick it up and go away.

You come back another day dry and empty for another word; there has been no growth; your words have not changed; your attitude has not changed; the way you look at life has not changed; your life has not changed; you have not gone to the next level; though you know many things, nothing in your life has changed, because you are not careful to carry it with you.

“If you are not with me you are against me; if you do not gather you scatter”. So if you're careful, together we will grow!

We need to be conscious of our call and about who we are. Words are so powerful; you get blessed by the word; anointing increases by the word and anointing drains by an unnecessary word. Bible says that man has to give a count of every word he speaks. Do you know that it is every word? It doesn't mean that God is going to open a book and count the words. The account is right here, it's been happening right here, your life is a product of what you speak.

But I tell you that everyone will have to give account on the day of judgement for every empty word they have spoken. Mathew 12:36

Praying in tongues is a way to connect to the spirit. If you do not pray in tongues, you don't connect to the spirit. Though the spirit is inside, you don't connect to the spirit. How do you pray in tongues? You pray in tongues by your mouth. You cannot pray with your mind, because your mind cannot speak, and cannot connect to the Holy Spirit.

Praying in tongues is a way to connect to the Spirit.

The Bible very clearly says your mind is fruitless, it is your mouth; it is from the spirit to the mouth. There is a channel God has made, that is directly from the spirit to the mouth. When you speak in tongues, it is from the spirit. When you don't speak, the word from the spirit is not being spoken. Maybe it is the same word you speak and it sounds the same, it doesn't matter as you are speaking from the spirit and your mind is bypassed.

For if I pray in a tongue, my spirit prays, but my mind is unfruitful. I Corinthians 14:14

On the contrary when you do not pray with your mouth you are doing something in your mind then you are just cheating yourself and you're wasting that time. You have to speak out and pray because your mouth and tongue articulation is very important for spiritual growth.

Blessing and curse are from the same mouth. If you think of cursing someone he is not cursed. Same way, if you think of blessing someone he is not blessed. You have to speak it out.

Bible doesn't say that you will be rewarded for your heart. You will be rewarded with the words and the deeds. We need to be careful about what we speak. We need to be careful about what we let out of us. Life and death are in the power of our tongue!

Death and life are in the power of the tongue, and those who love it will eat its fruit. Proverbs 18:21

“When someone stronger attacks and overpowers he takes away the armor in which the man trusted and divides up his plunder”. Armor is faith and faith is the shield. You are protecting yourself with the armor. The devil takes away your shield; your armor; your faith. Once it’s taken away, he can share your plunder.

Dear child of God,

You have the spirit of Jesus in you; the power of the spirit of Jesus. We need to be wise; we need to be conscious of what we speak. What dream God has given inside of you; what vision God has given inside of you; what destiny is burning in you; it will come to pass in the mighty name of Jesus. You will reach there no matter what it is; no matter what it looks like; no matter how it feels like. You will reach there as long as you keep your shield in the right place.

You are a child of the most high God. You are sanctified and separated; you need to be conscious to say what you receive. You need to munch on it, you need to meditate on it, you need to save it and then you will have the strength to receive it! And then your faith will be stronger because it is spoken and aligned with your vision; it is aligned with your destiny, and it will come to pass in the mighty name of Jesus. Amen!

How to live a life immune to witchcraft?

There was a mighty man of God called 'Elijah'. The tremendous power of God was displayed, as he brought fire from Heaven. One day, he brought the nations on its knees and they worshipped God. The introduction about Elijah in the Bible is like this, "Now Elijah the Tishbite, from Tishbe in Gilead". That's all the Bible talks about him. His genealogy is not mentioned. Nobody knew him as a prophet.

Now Elijah the Tishbite, from Tishbe in Gilead, said to Ahab, "As the Lord, the God of Israel, lives, whom I serve, there will be neither dew nor rain in the next few years except at my word." I Kings 17:1

Elijah said, 'There will not be any rain until I speak about that'. There will not be any rain, no humidity and no dews. That means it's going to be literally dry until his word and then word of the Lord came to Elijah, "Leave here, Turn Eastward and hide in the Kerith Ravine, east of Jordan. You will drink from the brook". Though Jordan was a river God was not telling him to drink from Jordan but he was telling him to go to the brook. Then it said, "I have directed Ravens to supply you with food there'. Elijah went and hid near the Brook and God was sending him food through the Ravens.

Chariots Of Fire by P's. Oswin Jamestudd

One year passed, two years passed, he was all by himself. He was there along with crows and maybe some other animals as well.

Confess: All by himself.

The crow was bringing food and Elijah was there. What food was he having there? When God said, “Hide”, what was the purpose of God to hide this person somewhere? What was the desire?

Does it mean that God says to Elijah, I can shut the heavens, I can stop the rain but I can't save you from King Ahab. Was that the reason why God told him to hide? God told him to hide just because he needed to be hidden as per God's plan.

In the next chapter, he was showing himself to a man called, Obadiah.

I Kings 18:7-10,

7 Now as Obadiah was on his way, suddenly Elijah met him; and he recognized him, and fell on his face, and said, “Is that you, my lord Elijah?”

8 And he answered him, “It is I. Go, tell your master, ‘Elijah is here.’ ”

9 So he said, “How have I sinned, that you are delivering your servant into the hand of Ahab, to kill me?”

10 As the Lord your God lives, there is no nation or kingdom where my master has not sent someone to hunt for you; and when they said, 'He is not here,' he took an oath from the kingdom or nation that they could not find you.

Ahab had engaged every kind of person in investigation. He had brought the whole nation because he was powerful and no king wanted to cross the road with this King Ahab. How was this person so powerful? He was carrying many evil spirits along with him. His wife Jezebel was a great witch not just an ordinary one. She was powerful than many men of God those days. So, Men of God and nation went in hiding. Everybody bowed down to King Ahab because his wife was a great witch. She ruled in the spiritual realm and nobody could stand against the King and the Queen.

I Kings 18:10 "As surely as the Lord your God lives, there is not a nation or kingdom where my master has not sent someone to look for you. And whenever a nation or kingdom claimed you were not there, he made them swear that they could not find you".

This is another spiritual dimension. What does the word 'Swear' mean? If a person is telling a lie, he will die. That is why God said, never swear. **Swearing is witchcraft.** King Ahab made every king go through the swearing ceremony.

Chariots Of Fire by P's. Oswin Jamestudd

King Ahab was powerful and he was reigning over all the neighbouring nations through his wife Jezebel. He made every person swear, whoever was not able to find Elijah. King Ahab thought that Elijah was a magician that is why he wanted to catch him. He knew God as dumb & dead.

When he married Jezebel, he finds she is all-powerful. This woman can do so much magic. This woman can bring all the kings on their knees. The kingdom was all flourishing and the king was happy. He thought why to call Jehovah God as my woman is powerful and she can do great things. King Ahab searched for Elijah everywhere but they did not find him. Do you think he would have stopped there? He would have also sent all kinds of evil spirits through Jezebel in all directions to look for Elijah. The spirits can fly and find.

God had told Elijah to hide for a reason. We may not understand all the reason but we surely know he wants Elijah to hide in the spiritual realm and he told Elijah to hide in a particular place because probably the place was prepared by God where no spirit could touch him. Amen! That was the place of safety and that was the place where nobody can enter.

As long as he was connected to the brook, he was untouchable. That brook was the altar God connected Elijah. That was the place he shall be connected until God says otherwise.

Chariots Of Fire by P's. Oswin Jamestudd

As long as, he was connected where he belongs, and is under the covering of the place where God told him to be, he was untouchable.

Confess: I am untouchable, I am invincible.

If you are connected to this altar, it is just not your vision or will but it is God who connected you here. As long as you are drinking from the brook of Kerith, and living in that place, no flying devil can ever touch you.

We are called to live in a place until God puts us in the Launchpad. Until God shows himself mighty as El-Bethel through you and me, he has told us to be in the place and stay connected to the altar. We are supposed to strengthen ourselves to glorify the Lord.

So, all kinds of spirits and witch tactics could not locate Elijah because he was in a place where he belonged. No spirit could see him and no spirit could locate him. Now when the brook was drying up, God told to Elijah, “Brook is drying, but don’t go to Jordan River. Every step has to be ordained by God.

Confess: Every Step has to be ordained by God. I am a spirit and my spirit shall know where I shall go next.

Every step we take or move has to be ordained by God because we are spiritual people. Paul said, ‘I did not ask or enquire in flesh or blood but when God called, I moved in the spirit’. This

Chariots Of Fire by P's. Oswin Jamestudd

is spiritual. If you want to lead victorious life today and tomorrow, you must proceed in the spiritual.

Elijah would have thought, as the brook has dried up now, let me go to river Jordan. He could have done that, as plenty of water was there in River Jordan. But the Lord said, “No more forest life, now it’s time for domestic life”. The word of the Lord came to Elijah to move out of the brook.

“Go at once to Zarephath in the region of Sidon and stay there. I have directed a widow there to supply you with food.” 1 kings 17:9

Confess: My God speaks and he directs.

As God directs, go where He wants you to go. You should do what He says. Until He says, we just need to wait where we are.

Elijah was already powerful and anointed, and he could have said, ‘Lord my altar is strong as I sacrificed in your name and now you are again asking me to wait in this forest for two years? I got to work for the kingdom of God’.

But God instructed Him according to His plan. Now Elijah went to Zarephath. He lived in that woman’s house but nobody in the village knew about it. Else they would have informed king Ahab, and he would have come because all neighbouring nations

Chariots Of Fire by P's. Oswin Jamestudd

were under his control. When you move as per God's instruction, no flying devil can locate you.

When you move as per God's instruction, no flying devil can locate you.

Confess: They will not locate me. As long as I am under the anointing and walking in the direction of the Lord.

The direction of God is very important. Elijah left his place where he was comfortable for two years and God told him to walk and go to Zarephath. Jezebel could not see and locate Elijah in her magical glass. ***“Every Altar that has been made against you shall be destroyed in the mighty name of Jesus”.***

There is power when you believe and walk in the direction of God. As long as you are, where God wants you to be, nobody can touch you. Amen!

Confess: Nobody can touch me.

Elijah left his stronghold and went to the place where God directed him. This widow was having her own story but Elijah dared to ask her 'Give me first' and she gave him and then the miracle happened. The Ravens led him and from then on God told Elijah, "Now show yourself to Ahab. It is the time for revival".

Confess: Now is the time for revival.

Chariots Of Fire by P's. Oswin Jamestudd

God told to Elijah, “Go and show yourself to Ahab”. So, Elijah went and told Obadiah. Obadiah met Ahab and told him and then King Ahab met Elijah.

After a long time, in the third year, the word of the LORD came to Elijah: "Go and present yourself to Ahab, and I will send rain on the land." I Kings 18:1

We always tell Elijah is a man of God, Prophet of fire and all that but behind the scene, there are a lot of things to understand. If you want to Glorify God, just listen to God. *Just walk in the direction, God wants you to. Be very careful and it's really important. You just can't think to go to any beautiful place. We are not called to live like how our heart wishes and soul desires. We are not called to live in the soul and flesh, but we are called to live in the spirit. We shall live in victory and authority if we live in the spirit.*

The soul we carry is connected to the flesh for so many years and it will drive towards the flesh. It will think that this world is so beautiful and every physical thing is so beautiful. It will deceive us because it was connected to our body for so many years but I tell you, start living in the spirit.

Confess: I will start living in the spirit. I will live as a spirit man. I am spiritual.

As we overcome the soul, emotion, logical mind and the flesh by the spirit of God and as we submit and wait for the direction

Chariots Of Fire by Ps. Oswin Jamestudd

under the guidance of God, I tell you, no flying devil, no demonic spirit can ever reach out to you. You are invincible and invisible.

Confess: I am invisible. No devil can ever touch me.

Now I like the Word “Elijah shows himself to Ahab”. ***Until Elijah showed, Ahab could not see him.*** I love the word of God as every word has a meaning. Amen! When he showed himself to Ahab, he called a challenge. He called for a meeting and he brought fire.

Testimony of Bro. Chaitanya Kumar

I am **Chaitanya Kumar**, I have about 14 years of IT work experience in various domains, multiple technologies and managerial roles. Currently, I am working in one of the top most US based Insurance Companies, leading Innovation & Automation teams.

Since my childhood, during watch night service (31st December), we were asked to share our testimonies and it always included pointers like I got a top score in my studies, I won medals, I got a job, I got married, we are blessed with a child, flat, car, etc.

But the testimony that I am going to share now is very special and precious because it includes wonderful pointers like instant miraculous healing, receiving of the Holy Spirit, anointing, prophecy, singing, praying and fasting! Entirely different isn't it?

It is a wonderful journey with the Holy Spirit that began to evolve this year and I take the privilege to share a few of them and thank our Church and Ps. Oswin Jamestudd for giving me this opportunity.

Instant Healing: – I was suffering from high levels of cholesterol, blood pressure for the past few years and consult a

doctor quarterly to have these in control. I started my diet and at the mid of this year, I joined a gym to stay healthy and fit. In due course, I happened to injure my right elbow while doing an exercise at the gym. That whole night I was unable to sleep and the pain was unbearable. I wanted to wait for a day to see if the pain would subside and then go to the hospital for a scan, as, I was very worried if anything went wrong with my ligament. With that same pain, I came to church on Sunday morning and during worship, I could not lift my right hand at all and the pain was dreadful.

I was worshipping and praying and asking God, Lord, help me, this pain is becoming unbearable, heal me O Lord. **After worship and sermon, the pastor said, he would pray for some of them and came down with the mic in one hand and touched my head with the other hand and prayed for me.**

When Pastor touched my head, **I felt a powerful heavy hand on my shoulder.** There was a freezing cold current passing from my shoulder to my wrist and fingers and after that I was relieved of the pain I had in my elbow.

I couldn't believe that there was no pain and I stepped out of the church and tried all possible things with my hand to check the pain. I went home and tried lifting heavy objects and to my

surprise, I was able to lift weights without experiencing any pain. For a couple of weeks after the healing, I kept asking, “God, whose hand was it that I felt on my shoulder on the day I was healed?” When Prophet Pardington Israel visited our Church and during the Sunday service, he had a revelation that somebody in the congregation had received instant healing in his arm a few days back and he saw that an Angel had come and touched that person. I praise God that he answered my question through the Prophet.

Also, when Ph. Nehemiah came to our church and prayed for all who have cardiac-related health issues like blood pressure, cholesterol, etc. I prayed for my healing. I said Lord “I am consulting doctors for many years and taking a lot of medication for blood pressure and cholesterols and how long will I continue on these medicines? Please heal me Lord”. When I went to see the doctor in my next visit, to my surprise, he said, all your reports are normal and you can stop taking the medicines! I couldn’t believe it! Praise God, Hallelujah!!!

Receiving The Holy Spirit: - Since childhood, I was in a church where we used to be very quiet, worship was devoid of any emotions. I have visited a few Pentecostal churches, meetings and conventions, where I saw the Holy Spirit’s presence and used to get scared, not understanding what it was, and tried to stay away from these places.

But in our church, around the time of Easter, when pastor started the prayer group, initially I did not want to attend the evening prayers because the word Holy Spirit, speaking in tongues used to make me feel very uncomfortable and out of place. I was very hesitant to attend but I thought pastor would think different about me if I did not. Sometimes, I used to come alone and stand outside the church until prayer gets over and get inside when pastor's message starts and wait impatiently until it would get over. I used to pray asking God "What is everyone doing? What is this all about? Why am I here? So many questions!!!"

Our Pastor used to send a lot of videos in the prayer WhatsApp group, which I never opened. But eventually, I started to view the videos and read about the Holy Spirit online. I prayed "God, if being connected to you is so powerful, I wish to have the Holy Spirit upon me."

For the first time, I came to the night prayer with my entire family, and Pastor said that he was praying for me that afternoon. After the message, when prayer started, pastor said he is going to touch and pray for a few people. He came and touched me. I was asking and seeking God for The Holy Spirit but, I did not feel any difference. The second time, **Pastor preached a few words "move your hands, wave your hands, be free, if you feel guilty, ask for forgiveness, Holy Ghost will make you holy. Keep praying & keep seeking, believe it and you will receive it"**. I started praying and asking God that make me holy, forgive my sins, I want to seek you and I desire your

Spirit in me and when pastor touched me again, I felt the power of the Holy Ghost.

There was a bright light that I couldn't bear, there was a heavy weight on me that I could not lift, I was breathing heavy, and the entire body, especially hands were burning like fire!

That remained for more than an hour. It was a pleasant feeling that I could never forget. Since then I always feel that there is someone in me who is with me and consciously guiding me with a voice all the time. My way of looking at life has changed, I want to sing for my Lord all the time, glorify him and be in his wonderful presence. Earlier I used to be fond of snakes, wished to see them on television, in the zoo and used to get a lot of bad dreams. But after receiving the Holy Spirit, I no longer wish to see snakes, I cannot tolerate them and I don't get any snake dreams or bad dreams and am totally free!

From the day I have received the Holy Spirit, to this day, on most of the early mornings, I hear a song "I enter the holy of holies" and I want to wake up and pray and be in his presence. My prayer is not about, grant me these worldly riches but, it is mostly about do something new in my life, keep me in your presence, and show your power and miracles in my life and in everyone's life.

I was always against fasting and I never fasted. I used to believe that when we fast, our mind always keeps thinking about when

the time will get over? When will I break the fast? And since I am fasting, let me eat biryani after I break the fast. I used to prepare a wish list to pray and ask God to grant them.

But after receiving the Holy Spirit, I have a desire to fast. I have expressed the same to our pastor and I have started fasting. All I did was to lock myself at home, kept my phone on airplane mode, just singing praises to my God, reading the Bible, and watching sermons of mighty men of God. Till late evening, I was never hungry, my mind was not attracted towards food, no prayer points, I felt so relaxed and strong that I cannot express my joy in words. I really felt the presence of God and the power of the Holy Ghost!

I would like to close with a prayer to my God to keep me in his presence always. Praise God, Amen! Hallelujah!

Testimony of Sis.Neha

“For God has not given the spirit of fear but of power and of love and of a sound mind.”

2 Timothy 1:7

I was born and brought up in a non-Christian family, at the age of 13 I lost my mother and lead a lonely dark life. I managed to attend school and try not to be a burden for anybody. Something was driving me all the time to save my mother from the death bed. All kind of spiritual

rituals, black magic had been conducted for which I was chosen by the saints, which created fear and darkness in me and my life.

When I turned 14 years I received Jesus Christ as my personal savior and immediately took baptism in a Pentecostal church. For 10 years I was connected to an AG church but after becoming a mother, gradually got disconnected from the church and continued living as per circumstances and problems.

It was those days in February 2018, I had lost my job and I was going through the days of fear and confusion. I was comprehensively shattered as the reason for losing the job was not mentioned by the internal management. I was growing in my profession at an unexpected speed, seniors and super seniors in the management did not like it only because I was being well updated with the latest teaching techniques in education which

the current group of students was much interested and encouraged to focus on their studies.

The day I received my termination letter, the verse that came to my mind is

2 Timothy 1:7. For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline.

But due to the circumstances and situations, I was completely dominated by my fear that I even started to think 'Is there somebody called God?' or 'Am I worshipping a God who is deaf and blind, as I was born in a non-Christian family?' Over last few years, somewhere down the lane as a family we were not connected to any church due to many problems in the family that led our family and personal lives to be influenced by emotions, situations and physical strength which was absolutely the harder way of understanding the mechanism of life. My beliefs and promises from the word of God were sleeping within me that I didn't bother to vigil them up. In those hard days I received the termination letter from the institution that impaired me into pieces and the fear within me overweighed to a greater extent that I leisurely initiated to expect that my life was an absolute defeat.

But My Father in heaven who was faithful never laid-off me from HIM and the Holy Spirit inspired my companion (Deepak) to search for a church in E-City which was AG. That Saturday night on April 2018 my husband did not sleep but was

constantly searching for an AG church and as a family we decided to attend Sunday worship at an indiscriminate cost but which AG church was still a confusion. That's when Deepak located the church and we attended Eternal Light AG English service. The time I walked into my father's house where I rightfully need not have to express about my fear rather I knew it in my heart HE already is dealing with my fear.

DELIVERANCE

As a family, we used to attend the healing, anointing and bible study classes on Wednesdays and Saturdays without fail. I had numerous health problems (back pain, thyroid, and knee and body pain) because of overweight due to which most of the time I was inactive in doing my routine and was not able to take care of my son who was 5 years old then. I was frail and tired of tolerating pain every day, irrespective of following a minimum food diet and gyming. I used to take extra time and effort during gyming but I backslid to shed any weight.

On 28th November 2018 a Wednesday, from the congregation I was chosen in midst of the adherents, a Prophecy from Ps.Oswin was spoken over me that – “I would become as lean as my spouse”, beyond any disbelief in my heart I received it and I lead to confess it daily and evoked to live on the revelation. To my joy, over a span of 11 months with the normal healthy lifestyle I reduced by 20 kilograms.

Now it's been a year and a few months we are connected to ELAG where the unmerited favor of the Almighty is just showering upon our family both in physical life and spiritual life. There has been an unbelievable breakthrough in our financial struggles, spiritual growth, health, lifestyle and most importantly being continually aligned with the spirit. I immensely thank my Father in heaven who is closely working with Prophet Oswin Jamestudd, who is our spiritual father, guiding us in the spirit, mentoring to grow in the spirit, being responsible to invest and honor the kingdom of God. Participating in Bible study and speaking in tongues have utterly broken the bond of fear, confusion, self-pity, depression and arguments in life beyond unspecified conditions.

Praise to the Almighty Father whose anointing and favoritism for His children is unmerited and unconditional.

Testimony of Bro.Deepak

I am working as Deputy Manager-Service(Customer Support) Fanuc India Pvt. Ltd, E-city, Bangalore. It was on April'18, we as a family instituted to Eternal Light AG Church. I was in the CSI congregation for 25yrs and then was baptized from a Pentecostal AG Church and received Jesus as my Savior. Seeking God in truth and fear was there in me from my childhood. I had a strong desire to attend worship and grow spiritually. I had not gone to church for a few years due to different reasons.

Then I started to pray to God that I wanted to go to a church where my desire would be fulfilled, prayed for His guidance to move forward in the way of truth and spirit, not traditional, not for the sake of being a born again Christian. With a sob in my heart, I initiated googling nearby churches on a Saturday night and carefully browsed many websites. While a glance at Eternal AG website, that urgently drew my view was, Pastor of that church worshipping God from the pulpit. I perceived peace within me and a sense of pull was dragging me there. I believed that was the place that I was seeking. The next day morning, we attended the English service and then today, after a year and few months I declare that we never looked back and we are leading a high level spiritually connected life than what we never experienced before. Today our lives have been changed.

Further, the Sundays worship and Wednesday, Saturday prayer sessions have changed our lives. Each time when we came under this anointing, we always got something imparted new in our spirits, especially the last one and half years. I am delivered from many bondages and oppressions which I had for 30 long years. We enjoy freedom and joy in our lives. I received Holy Ghost anointing, tongues, financial breakthrough during our new flat possession. Through our anointed Prophet Oswin Jamestudd who is a Man of God, we learnt how to pray, how to take authority in the spirit, how to walk in the spiritual realm, the real insight of many spiritual matters, overcoming flesh and

soul with spirit and mainly how to live connected with God and many more. Over the months, we learned many things through his preaching and we see blessing when the same is practiced in life.

We got a blessed opportunity to be a part of Prophet Israel Pardington's anointing sessions and we received much more in our spirits. We feel blessed to be a part of this army and many miles to go and fly higher in spiritual realm under this anointing. We have many testimonies in our life to proclaim the love of God. All Glory to our God who is the same yesterday, today and forever.

Many thanks to our dear loving Prophet Oswin for always being with us in our spiritual journey and guiding us to walk towards our call. I believe His prophecies on me will come to pass.

DELIVERANCE AND HEALING

I had some health issues and from the past few months I was struggling with that and it all started to manifest in March when the 40 days fasting started in our church. Though I had health issues, I managed to live with it because it was not that severe. When I started my fasting, it became so severe and unbearable. I faced some problems with my digestion, due to which some ulcers formed in my body got infected and the root cause was not known. For many months I was in severe pain, that I would be just lying on my bed the whole day and was

unable to do any work. I consulted almost 8 doctors, they were only treating me with symptoms but nobody could diagnose the issue. I lost 15kgs of weight drastically in just few days. I went to my hometown for treatment but was of no use. Then, I came back to Bangalore, it kept happening one after the other. I was totally depressed and spiritually collapsed and was not able to overcome.

On the 30th of June Sunday, Our Pastor spoke about **BREAKING THE SPIRIT OF MAMMON** and I felt a heaviness in my Spirit during the sermon. I asked the Lord to reveal what was it, and the Lord reminded me that I had not been paying my tithes for a few months because of the medical expenses. Immediately after the sermon, I asked Lord for forgiveness and promptly after the services I paid my tithe and promised God whatever was the debt which I missed paying, that I would pay it back in full with interest.

From that day on I started receiving miracles from God. Our Pastor informed about the 7 days fasting prayer that week. I decided to attend the fasting prayer and I attended both morning and evening sessions every day without fail. That was when God started to reveal so many things through dreams and I started to get deliverance in my life.

On the 2nd day of fasting prayer, Pastor told me that I should not pray for my healing but pray to receive strength in my spirit from God and take authority and command over my body to be healed. I received every word that he spoke, followed

and meditated the word, day and night. The next day early morning, I had a dream, in which God showed me about witchcraft done by a person who was connected to me 15 years, immediately I woke up and I experienced deliverance in my body. My body started recovering from that point. Further, I had dreams and visions in those 7 days of fasting which I shared with Pastor. He helped me understand the dreams and visions and how to fight my battles in spiritual.

The root cause of my health issue was still not known. I would like to share an incident here. We went to a well-known hospital to understand the root cause of my digestion issues. As we were waiting for our turn, I was just walking and praying in tongues and my wife was sitting inside listening to sermons. While praying, I felt that someone was standing next to me amidst a huge crowd and asked me “What you are doing here? You are not supposed to be here today”. I was confused and was wondering what to do. Immediately my wife came and told me that she felt in her spirit that we had to leave the place immediately. We both left the hospital immediately and went home. The next day I prayed to God to reveal what was the root cause of the health issue that I had since I could not consult the doctor. While praying, God showed me a vision about another witchcraft done by my colleague for a particular reason. God gave me the strength to break that stronghold and I knew I could destroy it with the help of the Holy Spirit. I vomited and found that some particles went out of my body.

After a few days, I was praying for complete deliverance and God gave another revelation about ancestral curses on me and Holy Spirit guided me to pray with authority and power. I confessed to God and I received the freedom from God after that I threw up thrice and I knew something left my body.

After the spiritual deliverance, I was admitted in the hospital to get operated and remove the infection of ulcers. I perceived the presence and protection of God throughout and I was recovered completely and started gaining weight. From then on, I do not have any issues in my body and I am completely healed by God. I could overcome every restriction on food.

I thank God for the miraculous healing and deliverance in me. He broke the chains that bounded me and set me free. He paid the price for me on the cross so that I am victorious today. I do not have words to thank our Pastor. He stood with me from the initial stage and guided me to fight my battles. He encouraged me when I was about to give up and assured me that the pain was not from God and it would change into a testimony. He stood for me in the spirit and helped me to come out of the situation.

I would like to share that the key for my deliverance was obeying the word of God and applying in my life. I received the word of God from Pastor as it was and I could see the changes in my life. Wednesday and Saturday prayers also helped me wholly in receiving from God.

Another incident I would like to share. I could not go to the office regularly and I had taken leave for many months due to my health issues. One day, Senior VP from my office called me and told me that they were not going to pay the salary anymore. He was just casual about me and never understood my situation. They were not ready to consider my medical certificates. I prayed and spoke to HR head when he called me, God gave me the wisdom to handle him. I questioned him about few conditions; finally, he could not answer me back. Same time I had a dream in which I saw, I went to Pastor and told him about the situation, He told me not to worry and that he would deal with the CEO of my company. The very next day I received my salary and it has been regular from then.

The word of God during my deliverance day was

Lamentations 3:22 Because of the Lord's great love we are not consumed, for his compassions never fail.

23. They are new every morning; great is your faithfulness.

24. I say to myself, "The Lord is my portion; therefore I will wait for him."

All Glory to my God alone. There is nothing valuable than living a life for HIS glory.
