THE LAWS OF GOD

This is the Command. **"Keep this book of the Lord always on your lips. Meditate on it day and night so that you may be careful to do everything written in it, then you will be prosperous and successful".** Joshua 1:8

Why was law given by God? Why should we meditate on it day and night?

We need to understand that **everything is spiritual**. Just like the physical world with physical problems, there are spiritual problems. Just like the traffic on the physical road, there is spiritual road and spiritual traffic. Just like the boundaries of each country and armies of different countries, spiritually we have boundaries and armies. Just like good people and bad people in the physical world, there are good spirits and bad spirits in the spiritual world. There are murderers killing people and thieves stealing in the physical world. Similarly there are murders and theft in the spiritual world too.

If the government makes the rule that you should go on the left side of the road, and you have to wear your helmet on the head, it's not to harass you. Some of us are not wise enough, we tend to be over smart to carry the helmet in the hand and only when we see the cop, we put it on. Why? We think what does this guy want? Why do they do that?

Traffic cops do not really care for the people, they care for other things. But basically the law is for our own good so that we will not hit and bump on the road, if we follow them. So when you are driving, you have to keep this law in your mind and meditate on the law so that you will be safe. You have to wear your seatbelt consciously, carefully so that you will not go and bump if there is a sudden break applied. Don't wear it for traffic cops; wear it for your own safety!

Many years before, I had an ambassador car. That was my dad's car. That car didn't have a seat belt. The seats were connected and can't be moved. Four to five people can be seated in the car. There was a lot of space between the front seat and the dash board. One night, I and my brother were travelling in the car and my brother was in the front seat while I was driving. Two more people were sitting in the back seat.

There was a turning on the road, and in the opposite side came a Tata sumo. The driver slept and bumped his car on mine. I was driving at a very slow speed of 20 km/hr. My brother was relaxing. I saw the car coming, but my brother did not see it and I was holding on my steering. But my brother was sitting casually and he was thrown over the dashboard and he broke his nose. So seat belt is very important. It's not for the cops. It's for our own safety. Laws are there for us!

Here Lord talks about laws. Keep this book of the Lord always on your lips. And meditate on it day and night. So that you may be careful to do everything written in it. "Then" you will be prosperous and successful!

When we talk about sin, some people have a wrong idea that the benefit of living holy life starts only after death. You might think, to

go to heaven you should not sin and if you sin you may not go to heaven. But the truth is, it's not about heaven alone, it's about prosperity and success in this world!

God gave laws because he loves us!

There are spiritual traffic and wickedness even in the spiritual realm. We might not get injured physically but we might get injured spiritually. God wants us to be safe. In the Old Testament, the idea of life after death and heaven is not very profound and it's not spoken very often. In the Old Testament days, most of the times, it was about living in this world. Only in few places like in the book of Job, it is mentioned about eternity. Other than that, people did not have the revelation about life after death or heaven.

God loves us. He didn't say if you don't do, he will kill you. He is not going to kill you. You might get bumped yourself. God is much better than your father and your mother. Will your father come and bump you if you are going in a wrong traffic. No! But he will have pain, if you get hurt.

Prosperity and success are based on following the laws of God.

People try to nullify the law. They say "Law is Old Testament". You will not be judged by the law. In the New Testament, Holy Spirit writes through Paul, that the Law is the ministry of death written on stones in the Old Testament. So you are not going to be judged by the law. You will not be punished for breaking the law. In the New Testament, traffic cops are not there. God is not playing the role of traffic cop. He says it's for your own safety. Follow it!

Laws are general guidelines. Holy Spirit is there to teach us beyond the law. The law says, "Don't murder". It is a general guideline. Holy Spirit says, "Do not even grudge against him". That's beautiful

right. Old Testament never stands against holding a grudge against anyone and never condemns if you start abusing verbally. We know that "don't murder" is there in Old Testament. But in the New Testament, Holy Ghost says "Forgive him" and do not carry the grudge.

So don't be confused saying, why is law given in The Bible? Some people even come to the point saying, you should tear the Bible of Old Testament. Only New Testament should be there. Only Jesus! Old Testament is like Ramayana and Mahabharata for them. Sometimes people go so crazy and take the word of God in their hands and start imagining things themselves.

We should understand the whole picture to learn and walk right and live right.

In Deuteronomy 6:4-9, Here O! Israel, The Lord our God, The Lord is one. Love the Lord your God with all your heart, will all your soul and with all your strength. These commands that I give you today are to be on your heart, impress them on your children, talk about them when you sit at home and when you walk along the road, when you lie down, when you get up. Tie them as a symbol on your hands and bind them on your forehead. Write them on the door frames of your houses and on your gates.

The Bible says, "Tie them as a symbol on your hands and bind them on your forehead. Write them on the door frames of your houses and on your gates".

Today we need not follow it literally. He is just telling us the importance of it. The New Testament is about the promises.

In the New Testament, we are not judged by the law, which means if we break a law, God is not the traffic cop. He is not going to punish us because the punishment and Judgment for breaking the law is already carried and finished by Jesus on the cross. So today, all that matters is the promise. We need to believe, speak and hold onto the promises of God.

There are other elements in the spiritual realm, which is trying to devour you. When you break the law, when you go on the one way traffic and when you don't wear your seat belt you bump with the other forces. So, it's not God punishing you. If you smoke or drink, you spoil your liver and lungs. If you don't eat healthy, you spoil your health; if you don't apply oil in your hair, you spoil your hair and when you don't do certain things that you are supposed to do, you mess up. And then of course, God can heal you, deliver you, transform and bless you. But until then you suffer because of the forces that act against you. If you can believe the promises of God and trust with all your heart, you shall be prosperous and successful.

When we read another passage in the book of Deuteronomy, we will understand this better.

This is an instruction and law given to go for war.

Deuteronomy 20:1-4

If you have to go to war, you may find yourself facing an enemy or army that is bigger than yourself and that has horses and chariots, but do not be afraid, the Lord your God rescued from Egypt and he will help you fight before you march into the battle, a priest will go to the front of the army and say Soldiers of Israel, Listen to me, Today you are going to battle. Do not be

afraid of the enemy when you see them, do not panic. The Lord your God will fight alongside you and help you win the battle.

Here God is giving instruction to go to war with an army which is bigger than them which means these people did not have horses and chariots, but if at all you have to go to war with an army bigger than yours, this is how you should go.

There are two commands given in this passage. "Do not be afraid" and "Do not panic".

Law is to follow. Army is bigger than you and they have chariots. You don't have chariots. They have horses. You don't have horses. You only have donkeys. How can donkey run with the horse? It's like comparing the bullet and TVS 50 Moped, Harley Davidson and TVS 50, Tortoise and Rabbit. How can you compete with horses and chariots when you have only donkeys? God gives a command not to be afraid and not to panic.

The command is not to fear for the Lord our God is with us. Amen! We got to fight the big army, chariots and horses. He that is in us is greater than he that is in the world! You will be defeated if you fear! Fear is the absence of faith. If you have faith, you will not fear.

Confess: Do not Fear.

Again in Deuteronomy 20:8 "Is anyone afraid or fainthearted? Let him go home so that his fellow soldiers will not become disheartened too."

If you are afraid, you are not fit to be in the camp. If your companion is afraid, leave him alone. Don't partner or discuss things with him.

Now you might say that fear comes automatically. My stomach starts rolling, and my heart starts pumping faster, I start sweating, I start breathing up and down. It starts automatically Pastor.

This is where we need the comforter called the "Holy Spirit". You have to become little spiritual. Don't just be a Christian, be a spiritual person.

Confess: Be a spiritual person.

A Christian might be happy but he can be let down. But a spiritual person is unshakeable. Jesus started walking on water. The people who were in the boat got scared when they saw Jesus walking on water. They thought that it was a ghost. When Jesus came near, Peter said, Jesus, Let me come and walk over the water. Jesus said, "Come".

Mathew 14:26 When the disciples saw him walking on the lake, they were terrified. "It's a ghost," they said, and cried out in fear.

Peter jumped over the water and he walked! And when he walked, the devil tried to create circumstances that could bring fear. The devil can't get into your heart. But he can create fearful situations. When Peter saw the wind and the wave, he feared. Then he started drowning in the water automatically.

When Peter cried, Jesus gave his hand, lifted him up and said, "You of little faith, why did you fear?".

The Holy Spirit is there with you all the time as a comforter. He will not let you fall, He will teach you. Even if you fall, the Holy Spirit is there to lift you up.

Confess: Become little spiritual.

Desire the Holy Spirit. If you become spiritual, fear and panic will go away. It's a change in heart. The attitude I carry is not a pride but the spiritual authority.

Confess: *I have the spiritual attitude. I have the Holy Ghost attitude!*

There are good and bad attitude, strong and weak attitude. We need the Holy Ghost attitude. When a big army comes with chariots and horses, you should face it with the spiritual attitude. Goliath was screaming and roaring. Everybody without the spiritual attitude were looking at Goliath. But David a little boy with spiritual attitude came and killed Goliath.

If you are fearful, you are not fit for battle. You should become little spiritual. When you are spiritual you will not speak, think and walk logically. Spiritual walk is having the attitude and faith that nobody can stand against me. Because the Spirit of Jesus is in me, I am invincible and my steps are ordained by the Lord.

Daniel was a man with attitude. I love his attitude. You may say its faith but I see it as attitude. He was not afraid of the fire or the Lion's Den because he was under the protection of the Lord God almighty.

What if I don't get it? What if nobody supports me? If you are spiritual, you will not have these questions at all. There will be a change in attitude. Anyone in Christ is a new creation, all the old things are gone and everything becomes new. Bible says the new thing is the new attitude called faith. Many of us do not know this. So we don't know what to anticipate.

I call myself "Spiritual" that gives me a different attitude. I am a disciple of Jesus Christ.

Daniel, David, Mordecai, Esther and Isaac were cool. They had a different attitude. They were not worried about anything.

The whole army and Saul were shaken, but David was cool and he defeated Goliath. Three years of famine and there was no rain. Everybody was wondering what to do next year. But Isaac was cool. He sowed during the famine and reaped hundredfold. He was cool because he had something in his heart. That attitude comes out of his spiritual encounter.

Daniel had many enemies. They wanted to kill him literally and were plotting against him. He could lose his attitude. But to keep his attitude going, he had to pray three times a day.

You need to be little spiritual again and again. David was with a harp all the time, he was always singing and praising. All the time he was in the spirit. When the lion came, he did not need a revival meeting. He went and killed the lion. When the bear came, he killed that too. When Goliath came, he had the courage to face the Goliath. Since he was spiritual, he was able to kill him.

Even if you are a normal person, you can become a CEO. All that you need is, you have to be little spiritual. Though David went to deliver the food to his brothers, when there was a chance, he took it.

Confess: I am waiting for a chance. When it comes, I will take it, because I am spiritual.

Abraham walked with God. As he was connected with God, he kept going. So it is all about attitude and faith. It comes only by the spiritual relationship with God.

Don't pray just once. Stop your habitual praying habit. Start like David and Daniel. Those days the distraction was very less. So three times prayer was enough. Daniel did not have a mobile phone else

he would have been distracted every half an hour. So distraction, worry, stress and tension was very low compared to today.

The distraction in today's world is more. So we need to pray more. For David, three times prayer was enough. Today 30 times prayer in a day is necessary so that your attitude is saved from distraction. This is called spiritual man led by the spirit of God. David was a king. He had lot of problems. But he was able to say, "I have kept my God right in front me, I shall not be shaken." He was spiritually connected all the time.

We don't keep our God in front of us, but we just say this verse and sleep. We sleep for 8-12 hours. Then wake up and say thank God for taking care of us during night. David sang. It was not a slogan for him. It was his experience. For today's church, it has become a slogan. It should become our experience.

Confess: I am the body of Christ. Christ is my head. Every other spirit is under our feet.

Christ is the head of the Church and the Devil is under our feet.

Spiritually we are above the demonic forces. We are seated in the right hand of the Father in Christ in the heaven.

Holy Spirit is restraining the evil spirit

II Thessalonians 2: 6 - 10

6. And now you know what is restraining him now so that he may be revealed in his own time.

7. For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way.

8. And then the lawless one will be revealed who the Lord Jesus will kill with the breath of his mouth and bring to nothing by the appearance of his coming.

The coming of the lawless one is by the activity of Satan with all power and false signs and wonders and with all wicked deception for those who are perishing because they refused to love the truth and so be saved.

The above verses are talking about the spirit of lawlessness or demonic spirits. In particular, these are talking about the anti-Christ. I want to give you an understanding of how and what the Holy Spirit does and what the Holy Spirit can do through us in the spiritual realm.

There is something that is restraining the evil spirit until they will be fully revealed in the right time. Verse 7 means the evil spiritual

world that we see today is still not fully bloomed. The evil world is a secret mystery in hidden places and darkness, here and there.

Holy Spirit is the spirit of light. He restrains the evil spirit. We read in the bible that the Holy Spirit will be taken away from this world when Jesus Christ comes back to this world. The Holy Spirit will take the church and the people connected to him along with him. Once this happens, the evil spirit will move with full authority.

After the lawlessness one gets revealed, the Lord will consume him with the breath of his mouth and destroy with the brightness of his coming. The coming of the lawlessness is according to the work of the Satan.

There are some people who do not love the truth. So they don't accept the Holy Spirit. They will be deceived by the lawless spirits. The Holy Spirit is keeping the lawless spirit under his thumb. He is dominating over the evil spirit.

Now the Holy Spirit is living in us. We need to agree that,” ***He that is in us is greater and stronger than he that is in the world.***” The evil spirit rises to disturb us in every way, financially, in health trying to steal our joy and peace.

We need to know that the evil spirit is not greater than the one who is in us. He that is in you is greater than he that is bothering you. Knowing the truth is very important. You might say that you already know it, but I am talking about the revelation of knowing it with all knowledge and confidence about who we are in Christ.

We know that we are much stronger than a Lizard or a snake. But if a snake comes, all of us would be climbing up somewhere. We can easily kill a snake. I have killed a lot of snakes. Though we know, snake is nothing, the moment we see the snake there is a frequency

of fear in us which makes us run. Some of us do that even for cockroaches. Some of us do that even for lizards.

You think that the snake's only purpose is to bite you. The snake might have come in by chance and is trying to go out. It does not want to bite you or want to do anything with you. But you think that the whole purpose of the snake is to kill you. You react in a way that you run here and there, and act like the snake is following you everywhere. You know that you are stronger. But then you do not know that you are much stronger because now the truth is not conceived in the subconscious mind.

How did you start and try to kill a cockroach? Little by little, you saw the cockroach; you understood and gathered courage to kill the first cockroach. Many ladies react seeing the cockroach like a snake has come in. Cockroach was my wife's enemy. But later she gathered the courage little by little. Some cockroaches even though they fly they don't bite. We know their limitation. If it falls in your hand, its legs might tickle but it does not harm you. We cultivate the understanding consciously. We say "This is all you can do cockroach. You have so many eyes, two antennas and big legs, but you can do only this much". So we take slipper or broom and try to kill the cockroach. Unless you know and have experienced that cockroach can't do anything, it is like an alien to you. They that know about the cockroach shall be strong. You have to know about the cockroach to be strong and stand against that cockroach. ***The bible says, "They that know their God shall be strong".***

I remember an incident when I was in my 7th grade. Outside our home in Dharmapuri there was some sand. My dad was not at home. I came home from tuition and my mom was standing in the portico and she said, look there is a scorpion, go and kill it. So my first

question was will it fly? She said no. And then I asked will it go fast? She said it will not go very fast. But then she said, its sting is very poisonous, so be careful. Now I got to know about the scorpion. That was the first time I saw a scorpion. Now I knew the limitation and learnt what it can do and what it cannot do. So I went, took a shoe and walked in slowly and killed it. It was not a big deal because I knew the limitation.

The Holy Ghost who is in you, is restraining the evil spirit.

Confess: The Holy Spirit is restraining the evil spirit

You need to know that the evil spirit is powerful than your physical senses. Devil and all the evil spirits are spirits. Because it is a spirit, it is powerful than your physical body. It is 100% true. No doubt about it.

We know that we are not just a body but we are a spirit. Holy Spirit is in our Spirit. The Holy Spirit who is in us is the same who is restraining the evil spirit all over the world under his thumb.

If a person knows Karate and Kung Fu, he knows how to hold him, twist him and defeat him. Because he knows where to hit and twist he takes victory over the opponent. This is called restraining him down.

Holy Spirit restrains the evil spirit. Do you know your God? They that know their God shall be strong and they shall do exploits. You are powerful because the Holy Spirit is in you. We need to cultivate a conscious understanding of the truth and be strong.

John 14:16, 17

I will pray the father and he will give you another helper that he may be abide with you forever. The spirit of truth whom the world can't receive. Because it neither receives him nor knows him. But you know him, for he dwells with you and will be in you.

Here Jesus says I will give you another helper, I am going but I am sending the Spirit of God that he may abide with you. Have u received him? Jesus said the world will not receive him because they do not see him. This world wants proof.

Many Christians do not understand the things of the Spirit. They want to understand the Bible in a logical and soulish way. If they can't understand, they say it is false. But the Bible is a book of faith. When you believe, you experience and you know it. That's what Jesus says, you don't see and believe. But you believe and you see.

Many times when we can't see things it is hard for us to believe because we are so carnal operating in the senses of the flesh. Jesus says you have to walk by faith and not by sight. The world was not able to see Jesus. They received his miracles, but they did not receive him. When Jesus connected himself to the spiritual realm, they rejected him. If Jesus would have told that, this is a trick or a magic they would have been happy to learn the physical magic from Jesus. But now he is talking something beyond the physical world that is the spiritual world.

Jesus said this world will not receive him because they can't see him. But we know the spirit of truth whom the world can't receive because they neither see him nor know him. But we know him for he dwells with us and will be in us.

Many Christians believe but they stop there. They actually don't know, they don't see, they don't hear and they can't live with the blind faith. How long can you live with the blind faith? Once you believe, you should know, see and hear. Then you should experience. When you do not do any of these things and you try to live your life by abstract imaginary faith alone, your faith is being attacked and you can't stand. This is where we are different church.

They only believe but you need to know more. ***God says, seek me and you will find me. If you seek me, you will know of me. Seek him, know him, listen to him and find him.***

Luke 11: 34 Your eye is the lamp of your body. When your eyes are healthy, your whole body is also full of light. But when your eyes are unhealthy your body is also full of darkness.

First you believe by faith. But the faith has to manifest. Faith without deed is dead. People say faith without deed is dead and they explain it like this. If you have faith, you should go and help the poor, which is the deed of faith. But that is not what it means. Your faith has to manifest. Your faith has to have some action.

Paul says, you people believe and you talk. But where is your deed? He said you are talking and talking but you don't have any deed. But I will come and show your deed. Then we will see whose faith is greater. He is challenging some people who are rebelling against the authority of Paul.

You come to God by faith and you accept the things of the spirit by faith. But that is not enough. It has to be in action. It has to manifest. If it is not manifesting, your faith will be dead very soon.

That's why you see many people who started well are dead spiritually. Once upon a time, they started well. Some of them even gave up their job, education and started venturing churches, pioneering the church in a village or town. It's an act of faith. Once they started well with the desire, call and passion but, all they talk is whatever they hear and see. As you come to God with faith, your faith should manifest. If faith doesn't manifest, something is wrong somewhere. We need to find and fix it in our lives.

Confess: Faith in action. Faith should manifest.

It is good to sing that God is a healer, God blesses financially, and God is my father and everything. But do you sing until you get your physical manifestation of healing. You might try for some days, months or years and one day you give up. You might be confessing it but deep down, you know it's not working. When another brother comes and says, I got healed, you think he is faking. Many have this experience. I gave tithes and offering, I fasted and prayed, but nothing happened in my life. Whoever is claiming that they received healing and deliverance are all faking. When I try to tell and convince them, their experience is stronger than my words that I am not able to convince them. Because whatever they believe, whatever they hear, whatever they spoke, are not manifesting.

Dear Church, Lord is speaking to you. Your faith will manifest. Not just the listeners and preachers of the word, but doers of the word.

Luke 11: 35 See to that, the light within you is not darkness.

You have a light in you, let it not be darkened. Jesus is the Lord and He died for us. He is our healer and our deliverer. We are prosperous through Jesus. The light will not be quenched because you believe in Jesus. That light will take you to heaven by the grace of God. But that light can become dark and dim.

There will be places in your life where there is darkness. You might believe that you will go to heaven, but there is no prosperity in this life. When you don't believe prosperity, you don't receive or live in prosperity. This is darkness! Some may not believe in healing.

Luke 11: 36 Therefore, your whole body is full of light, no part of it dark, it will be just as full of light as when a lamp shines its light on you

Jesus is comparing your spirit to your body. He says every part of your body is light. But if certain part becomes dark, it is dark. Light is there but it is dark. It's the same in your spirit and your faith. If it is full of light, you are full of light. But if there is some darkness, that will be dark. You will not receive the light in that.

In the Old Testament, men or the prophets or the judges in the book, did not have the revelation of the spirit of God. Even in the book of Genesis, we see Abraham dealing with God as a person. Abraham dealt with God as a person or as a friend. But later, though they knew God, though they knew the power of God and though they knew the name of God as Elohim Jehovah, they did not know God.

David and Samuel had a deeper revelation. During the time of Eli, the predecessor of Samuel (Spiritual father), also did not have a

revelation. They did not know how to pray to God, how to please God and what the spiritual laws are.

If you listen to me and read the bible in this context, you will understand it clearly. When the Israelites were losing the battle, they carried the arc of the covenant to the battle field. They celebrated, shouted, screamed and worshiped thinking that the arc of the covenant will bring them magical deliverance. But there was no victory.

Philistines got the magic box and took it to their temple. The magic box is the arc of the covenant. Among their other gods, they kept this arc of the covenant. Morning when the Philistines came and saw, all these gods were broken and fallen down at the feet of the arc of the covenant.

Again the next day every god had fallen and broken in front of the magic box. So they thought it was a very powerful box. We should not keep it here; we will send it back to the Israelites. We do not know how to handle this box. This magic box is beyond our control. They did not have the revelation about the arc of the covenant.

But today, we know it. Many Christians do not know that even today. For many people, the Holy Spirit is just talking in tongues for five minutes, and then put Him in the box and go. That's all. Many people do not have the revelation or do not even know about speaking in tongues. Even people going to church for ten years do not have the revelation about the spiritual things. They just go to church every Sunday because for them it is just a tradition. But we know the first step to grow in the spiritual realm is the revelation of the Holy Ghost and speaking in tongues. But that's not enough.

You need to see the manifestation of the Holy Spirit in your day to day life. You need to feel and know God in your life. We need to desire it.

If you seek Him, you will find Him. If you call, He will answer. Seek, search and desire to know God.

May the Lord be revealed in our lives! Amen!

KNOW YOUR DESTINY IN YOUR SPIRIT

Sermon Date: September 25, 2019

I would like to share an important sermon to you. Desire and expectation both lead to miracle manifestation of God. We are blessed with a body, the soul and the spirit. Our spirit lives inside the body. God created the spirit and formed the body. As we read in the Bible, Psalm 139:13

For you created my inmost being; you knit me together in my mother's womb.

The word 'Create' is derived from the Hebrew word "Bara" which means from nothing it was created. Our spirit was created from nothing. The word 'form' holds various descriptions and one such is doing something from the existence. For example, we are formed in the mother's womb. God has destined your life when he created your spirit. The destiny dwells in the spirit not in the soul, nor in the body. As we read in the Bible in

1 Corinthians 2:9, 10

However, as it is written: "What no eye has seen, what no ear has heard, and what no human mind has conceived" - the things God has prepared for those who love him. But God has revealed *them* to us through His Spirit.

In order to receive our destiny or plan of God, we need to align in the spiritual world. The Bible clearly tells us in

Romans 8:14

For all who are led by the Spirit of God are sons of God.

In the New Testament, the phrase ‘being filled or led by the Spirit’ is recurrently used in various illustrations. The event depicts that every individual functioned as a spirit. Though we live with the physical body, Paul evidently pens to live according to the spirit and know what our spirit says. We live by the senses of the body consisting of eyes, nose, ear, mouth, etc. correspondingly the spirit holds its types of senses. We need to equip ‘ourselves’ to heed to the Spirit. Thus equipping or training is called as ‘Prayer’. We have an assumption towards prayer. Usually we think prayer means to complain, to ask for something from God and so on. This method was practiced in the Old Testament.

There are three dispensations namely, Dispensation of Conscious, Dispensation of Law and Dispensation of Grace. In the Dispensation of Law, the spirit of God was upon the person, never in the person. In the Dispensation of grace, we have received freedom from various circumstances and we are made vessels worthy to carry the spirit of God inside of us. So the spirit of God lives inside us. As we are in the dispensation of grace, our prayer must change from request to taking authority. As we read in the scripture, **Mark: 4: 36-41**

³⁶ And when they had sent away the multitude, they took him even as he was in the ship. And there were also with him other little ships.

³⁷ And there arose a great storm of wind, and the waves beat into the ship, so that it was now full.

³⁸ And he was in the hinder part of the ship, asleep on a pillow: and they awake him, and say unto him, Master, carest thou not that we perish?

³⁹ And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm.

⁴⁰ And he said unto them, Why are ye so fearful? how is it that ye have no faith?

⁴¹ And they feared exceedingly, and said one to another, What manner of man is this, that even the wind and the sea obey him?

The Disciples in the boat were beseeching Jesus to calm the wind. Here they were following the Old Testament and Jesus speaks about the authority given to them. When God dwells in us, we would take control over our circumstances.

Prayer is spending time in the presence of God by submitting your body and mind wherein both comes to submission. By doing this the inner spirit becomes stronger and connects to Jesus. Then you would recognize the spirit schmoozes. It is always important to pray

in tongues at least for an hour daily and when we pray we neither complain nor request instead we are making our spirit stronger.

When we pray in the spirit, the spirit which knows our heart, mind, God's plan and purpose in our lives prays through us. If you are led by the spirit, you shall have the fullness of life and will live in miracles.

There are many references in the Bible, which depicts the manifestation of the Spirit of God. In Genesis 26:12-22,

¹² Isaac planted crops in that land and the same year reaped a hundredfold, because the LORD blessed him. ¹³ The man became rich, and his wealth continued to grow until he became very wealthy. ¹⁴ He had so many flocks and herds and servants that the Philistines envied him. ¹⁵ So all the wells that his father's servants had dug in the time of his father Abraham, the Philistines stopped up, filling them with earth. ¹⁶ Then Abimelech said to Isaac, "Move away from us; you have become too powerful for us." ¹⁷ So Isaac moved away from there and encamped in the valley of Gerar, where he settled. ¹⁸ Isaac reopened the wells that had been dug in the time of his father Abraham, which the Philistines had stopped up after Abraham died, and he gave them the same names his father had given them. ¹⁹ Isaac's servants dug in the valley and discovered a well of fresh water there. ²⁰ But the herders of Gerar quarrelled with those of Isaac and said, "The water is ours!" So he named the well Esek, because they disputed

with him. ²¹Then they dug another well, but they quarrelled over that one also; so he named it Sitnah. ²²He moved on from there and dug another well, and no one quarrelled over it. He named it Rehoboth, saying, “Now the LORD has given us room and we will flourish in the land.”

If Isaac had been led by the flesh, he would not have sowed in the time of famine. Since he was led by the spirit, he was able to experience the harvest in his famine.

Similarly, Samson was led by the spirit and performed many mighty things, but as he broke the covenant with God by revealing his secret, he lost his anointing and sight. Later, his hair grew and the covenant was reestablished. Samson was filled with remorse and died. It was Samson who brought his destiny into hiatus. When we die, and when our spirit is out of the body, you might realize, ‘Oh my God, I had a great call, a great destiny in my life, but I didn't do anything’. In the book of Isaiah 61:1 & 2

The Spirit of the Sovereign LORD is on me, because the LORD has anointed me to proclaim good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, ²to proclaim the year of the LORD's favor and the day of vengeance of our God, to comfort all who mourn,

In the Old Testament, the Prophet says, the spirit of God is upon me, but now we can say that He is inside me.

The spirit of God in us has a divine purpose. When God anoints, he works in us, and through us proclaims the good news to the poor. We are the anointed. If you are not aware of the anointing, your vessel becomes in-operative and habitually indulges in fight, cry, just visit church with no expectation, pray in tongues for few minutes and say amen. Just speaking in tongues is not the purpose of anointing. Spirit of the lord has anointed us, which means he has a purpose and we should know the purpose.

Confess: I should know the purpose of anointing.

Even though you were anointed ten years ago and connected to Jesus, but still not aware of the purpose of anointing in your life, then you lack the knowledge about it.

The prophet says, He has anointed me to proclaim the good news to the poor. Anointing is not only applicable for the ministry. David was anointed for a purpose. He was a short shepherd boy, the youngest in the family and was not counted among his brothers. God anointed him. Was the purpose of his anointing to rule the kingdom, to shake the Philistines or to kill Goliath?

David, knew his purpose, it was in his spirit. You may enter your board room as an ordinary person, or go to the company as an ordinary employee. Nevertheless, if you knew the purpose of your anointing, right from day one, you will aim at the CEO seat. You

may be at a lower position but when the opportunity comes, you will take it because you will know what belongs to you.

Many of you hold the false humility, know your calling and operate within. The Kingdom of God suffers violence and you need to take it by force. Take your destiny, look not for the pity promotion, but look for a promotion based on your destiny.

Confess: I am going to proclaim the good news to the poor. I am going to be promoted because the Lord has anointed me, I will kill the Goliath I am anointed, I will walk through the fire. Everyone will be stunned by the power that is displayed through me, because I am anointed.

Your attitude must change and look at the challenges to proclaim the good news. Many of you assume that God will drag you to your promotion seat. No, first you need to convince and get it in your spirit and then God will work for you. Unless you are convinced, you will not move forward. Now I speak life over your spirit. Your destiny is in your spirit. The Bible clearly depicts on receiving and operating in your destiny. The Bible says in Psalm 23:4

Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

You may walk through fire and flood, but God is there with you in all the circumstances. There are many conquerors in the Bible who fought and received their destiny. Mordecai's destiny was not to be seated at the gate, but to be with the king. He never murmured at his

situation and complained. He walked and operated on his destiny. His death was destined by the signet ring of the king. Amaan tried to ruin the life of Mordecai by hanging him to the pole. But when Mordecai fasted and prayed everything favored him and turned to be a blessing. I would like to share an anecdote.

Once we were staying in a Government College Hostel at Dharwad University for a competition. And being a guitarist I was in the music team. There were bunk beds in the hostel. Under my bed, there was a dancer and he was a Kathak. There were mosquitoes in the room. This guy was shouting and when we asked him, what happened, he said mosquitoes. We said it's ok, sleep.

After 30 minutes, when we were sleeping, again he was shouting, yelling and kicking because there were mosquitoes. Then again we slept. Again, after sometime, he started shouting, jumped out and pulled the bed and he said, I will not sleep and I will kill these mosquitoes tonight. We sent him out and we slept as we had competitions next day.

Morning we asked him the story. He said he didn't sleep and he put a camp fire, drank with some guys and lost the whole night sleep.

Imagine how he would dance the next day. He was there for a solo dance competition. He didn't get the prize because of the mosquito. This is happening to Christians even today. We tend to forget our call and purpose of anointing. King Saul was called to lead the nation. He brawled only few wars. The rest of his life, he spent rambling in the forest trying to crush the little boy called David.

Confess: He sent me. When he sends me, I will listen. I will know. I will accept the assignment and I will fulfill it.

Confess: Holy Spirit is not my leader, He is my guide.

God wants you to proclaim freedom for the captives, to bind up the broken heart. It is we who has to break the walls. He has sent us with a mission.

God sent Nehemiah with a vision. He was a cup bearer to the King and his destiny was to rebuild the wall of Jerusalem. He was praying and fasting and informed the king of the problem. The Holy Spirit mightily operated and the king granted the permission to build the wall.

It was God who sent him to accomplish the work, until you believe you will not know your calling. You will keep on giving justifications to stop yourself from the destiny.

Voluminous Christians and even preachers too have excuses with regard to financial provision due to lack of knowledge of their calling. You may be in the valley of the shadow of death, valley of dry bones, may be the woodland, and maybe the hauling dark cemetery. Train your spirit to take up challenges, since destiny is more important. The Spirit, light, the authority, the power, the anointing, and the call of the spirit should drive you. I would like to conclude the sermon by throwing light on Romans 12:2. Paul writes,

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will.

Transformation must happen from the flesh to the spirit and mind, so that you may understand and discern the will of God, the good, perfect and excellent will that God has for you.

What is Blessing?

Mathew 18.20

For where two or three are gathered together in my name, I am there in the midst of them.

It's wonderful to worship the Lord! As the word of God says, where two or three gather in his name he is there, which means the spirit of God rules the place. We know that God is a spirit and He does not carry a body. As God is a spirit, he lives in our worship and comes in his authority to strengthen us.

What is Blessing?

In this physical world, we desire to be blessed. ***Blessing*** is being empowered ***to do what you want*** and ***to do what you desire***. There are two things to elaborate here. This picture holds two people. You need to be authorized by someone to do what you want to do and you must be empowered by someone to complete your need.

We all want to make money, live long, buy a car, get married and have children. But, we might not be able to do that. Though, you try hard, it might not be happening. This is why we need to connect to a medium, so through that medium you can do what you want to do. This medium is called "God" or "Spirit".

Every religion uses different names for the medium. They follow different spirits. We follow the spirit called "Jesus". So we need to

ask the Spirit of Jesus to intervene into our lives, so that we would be empowered to do what we want to do.

For blessings to manifest in our lives, "We" and the medium "The Spirit" have to be involved. When the spirit empowers us we can do what we have to and desire to do and we call it a blessing.

There is an illusion or a fake thing on which people keep operating. People want God to bless them, but they do not know what they want and what to be blessed with. We blindly say, "Bless me lord".

To be blessed, first you need to know what you want. Then believe that Spirit of Jesus can and will do it for you. Second thing, you need to ask him with faith. The Bible says, "He empowers you to do what you have to do". This is how blessings come to pass and unravels miracles in our lives. Unless you do not know what you want, you cannot receive it.

You might think, I know what I need. But, do you really know the earnest desire of your heart and know what you actually want?

We read about the healing of a blind man in Mark 10: 46-52

⁴⁶ Then they came to Jericho. As Jesus and his disciples, together with a large crowd, were leaving the city, a blind man, Bartimaeus (which means "son of Timaeus"), was sitting by the roadside begging.

⁴⁷ When he heard that it was Jesus of Nazareth, he began to shout, "Jesus, Son of David, have mercy on me!"

⁴⁸ Many rebuked him and told him to be quiet, but he shouted all the more, "Son of David, have mercy on me!"

⁴⁹ Jesus stopped and said, "Call him." So they called to the blind man, "Cheer up! On your feet! He's calling you."

⁵⁰ Throwing his cloak aside, he jumped to his feet and came to Jesus.

⁵¹ “What do you want me to do for you?” Jesus asked him. The blind man said, “Rabbi, I want to see.”

⁵² “Go,” said Jesus, “your faith has healed you.” Immediately he received his sight and followed Jesus along the road.

When the blind man Bartimaeus came to meet Jesus it is understood that he wanted to be healed. But, Jesus asked him, "what do you want me to do?" Does this sound witty since Jesus was healing everybody?

You might think that it's not the right question. What if the blind man asked Jesus, "Lord everybody is offering me five rupees, so please give me fifty rupees? It's not wrong to ask for money because he needed that. If Bartimaeus would have asked to give him good food, he would have got Chicken biryani in return. Do you think he knew what he wanted because he was talking to Jesus?

Imagine that I am lame sitting and begging in a place where everybody is just giving a one or two rupee coin. When someone comes there with a blazer and asks me "what do you want?" I'll ask him to give me fifty rupees. And if Mukesh Ambani comes I might ask him for a bike or a three wheeler that I can use without my legs. Probably he would give me a bike. That is all he can do for me. But if I ask Ambani to heal my legs people around me will say, you are not only lame but mad too.

But, if Jesus comes and I ask him "Give me a car", people around will say that you are mentally disturbed. Unfortunately this is the reality because the problem is with the mindset of the people. We will ask a car from Ambani and ask Jesus for fifty rupees. This is

the truth. We don't know and realize how big our God is. You don't know how much God loves you and how much God wants you to be blessed. That's why Jesus asked the blind man, "What do you want me to do?". If that blind man would have asked for a new pair of clothes that's all he could have received. Blessing is not only God's role to play, but ours too. We usually pray asking God for a favor, miracle or financial breakthrough.

Imagine unexpectedly Jesus appears before you and asks "Do you want money? You say "Yes." And if he asks how much do you want me to give? What is the project you have? What is the plan you have? How do you want me to give you money? Do you have any answers? Your answer will be no and you will tell Jesus to meet you after a week, so that you will be prepared with a formula. Do you agree to this?

We ask God to bless us, but when He comes and asks "What do you want?" we don't have answers. This is the problem with the church today. We don't expect, but we keep on weeping and complaining.

A man with leprosy went to meet Jesus. Jesus asked, "Do you believe that I can heal you? Do you think he came to Jesus because he believed? Jesus is so powerful and nobody can stop him and his miracles. But did Jesus question because healing could happen only when we believe? Perhaps in the spiritual realm, Jesus wanted him to confess that he believed! He confessed and believed that Jesus could heal him and received the healing.

The Bible says in *Mark 6.5* ***He could not do any miracles there, except lay his hands on a few sick people and heal them.***

You might ask if Jesus is very powerful, why was he not able to perform miracles even though he was born and brought up in that

village. When Jesus visits that village after so many years, the people around him saw Jesus as the “Son of Joseph” and they saw him as a small boy who was running around. People did not see him as a miracle worker. They saw Jesus as an ordinary person and one among them.

We must be going to church regularly just for the sake of rituals or compulsion, and may be did not see any transformation in our lives or receive any miracle. There is no anticipation and desire in our hearts because we are not able to believe. We all know Jesus from our childhood. We must have seen our grandfather, grandmother and parents who would have prayed but did not receive anything. You may think that Jesus will not do anything.

We might think that in the Bible, a lot of miracles happened. But now nothing happens in life. Pastor keeps saying and dancing, but nothing happens. This is the notion many Christians have in today’s life. If you are in that attitude, you will not receive anything.

Confession: If you expect, you will receive it.

Before you start to church, kneel down at your home and pray for 10-15 mins. Say "Lord, I am going to Church, my Pastor prays and preaches and when we sing I want you to touch me, there should be a change in me, I am going to be in your presence, I want to be healed and delivered". You should come to church, praying and expecting with an attitude that you will not go back the same. You will go back as a different person.

When the man with leprosy heard that Jesus was coming to his village, he told everybody that this would be the last time they will be looking at him with leprosy. Again, they will not see him as before. All around him asked, "Why?". He told them that he was

going to meet Jesus and he will not come back with the same appearance. And Jesus asked him "Do you believe I can do it for you?". He said "Yes, I was waiting for this day".

David says in Psalm 122:1

I rejoiced with those who said to me, "Let us go to the house of the LORD."

David was so happy because he knew that he will not come back the same. If I go, I will receive something. This is the attitude that makes you receive from God. If you do not have that expectation, you will come and go back the same.

Unless and until you have a desire or plan about your life, nothing will change. I pray that the Lord will open your eyes to start seeking him for a change. When you desire and start expecting, you will receive it. Many people don't expect. Sometimes, they just want pastor to pray. But they do not have their focus on prayer. They will see good and bad time. They expect Pastor to follow the same. As you expect and desire, slowly things will change in your life. The church is all about expectation and desire.

John 15:7 If you in me and My word in you, ask whatever you wish. It shall be done to you.

The keyword is "Wish". The desire that is craving in your heart, your wish will happen to you.

He will give you one helper. God wants me to speak to you with this word.

John 14:16-20

¹⁶ And I will ask the Father, and he will give you another advocate to help you and be with you forever ¹⁷ the Spirit of

truth. The world cannot accept him, because it neither sees him nor knows him. But you know him, for he lives with you and will be in you. ¹⁸ I will not leave you as orphans; I will come to you. ¹⁹ Before long, the world will not see me anymore, but you will see me. Because I live, you also will live. ²⁰ On that day you will realize that I am in my Father, and you are in me, and I am in you.

Jesus was there in this world as a flesh. This Jesus was crucified and he gave his life for us. But again, he came back as a spirit. Now Jesus is here, but as a spirit. You can't see him because he is not flesh. ***The spirit of Jesus is with us. He is connected to us through our spirit.***

This can be explained from The Bible. The Holy Spirit, The spirit of the Son of God and the Spirit of Jesus is all same and one. The common word used is The Holy Spirit. God is a Spirit and the church is the only place to be spiritually charged. Spiritual anointing changes us from inside.

In the Bible, Jesus says, "I will go and I will ask the Father to send you another Spirit."

John 14:16 And I will pray the Father, and He will give you another Helper, that He may abide with you forever.

You come to church, so that you will become strong from inside. Spiritually charged atmosphere is needed to be connected with the spirit. You will start viewing things in a different dimension. This is the reality. As you keep drenching in this rain of the spirit of God, you will get spiritually charged. When you come in connection with the spirit, things will start changing in you.

What does the bible say about the spirit? He is your helper. Helper is a maid or servant. In the spiritual world, there is a formula. In the physical world too, there is a formula. We can walk with two legs. If there is a swimming pool here, you can't walk; you have to swim in it.

When you go into the sky, you can't walk, you can't swim too. The rules and engagements are different. Same like that, in the spiritual realm, there are guidelines to be followed. We have to know the guidelines and apply those. Only then it will work. You can't just imagine your grandpa's story and operate in the spiritual realm.

Jesus is with you. He will never leave you. He is forever with you. The Holy Spirit is your helper. If you can't conceive it, you will not receive it. As He is your helper, the plan has to be yours.

John 14:20 On that day, you will realize that I am in my father, you are in me and I am in you.

You need to understand something better. Jesus is with the father and he is in me and I am with him. I am in Jesus and Jesus is in the father, which means Jesus is with me. Jesus is in my spirit. Jesus was connected to the spirit of Adam. But when he sinned, the spirit of Jesus got disconnected from Adam. Now his spirit has become dead. When we believed Jesus, his spirit came inside us. So he is living in us.

There are lots of spirits in this world. They all call themselves as god. People worship them. According to the bible, they are dark spirits. They can't connect to our spirit. Only Jesus can connect to the human spirit. The Human spirit is sealed by a password that only Jesus knows. Those spirits dominate in the body and the soul. Their body and mind will be completely taken over by the spirit. But

when Jesus comes inside of us there is love and peace. Jesus is with us as a helper.

Take your project to the Lord, He is there as a helper. If you desire God, if you seek him, if you desire a change in you, He will teach you his ways. You might think, then what about the will of God. He will teach you only if you desire. You go to the hotel to eat. You go to the hospital to get treated. You go to the airport to take the plane. But people come to church just like that.

If you have desire, you will receive. Jesus is alive. He speaks, listens, deals with us and he is powerful. He will bless us and build us up. He will strengthen us. He will put us upon the rock. He will make us a testimony to the world. Start expecting greater things and you will receive it.

Deliverance from Nightmares

I am Mrs. Mini Isaac, BSc, MBA, from Bangalore, a mother of three, working at Oracle for over 11 years. I would like to share my testimony of how God delivered me from a life of nightmares due to visions and dreams of snakes.

I was born and brought up in a Christian Methodist family in Bangalore with a zeal for God from my childhood and was part of the Sunday School and Youth group in the Church. During my college days, I started getting visions about the devil coming in the form of a snake and asking me not to read the Bible and not to Believe God. Nevertheless, I was continuously seeking God and walking in His ways. The frequencies of those visions were once in two weeks and I used to make a note of most of those in my diary. I have been going through this trauma for over 18 years. Once while I was in my eighth month of pregnancy I saw a vision of snake encircling my left leg and widely opening its mouth and trying to swallow my twin babies. Each time I get this type of vision I would wake up, pray and rebuke it and go about my routine work. This kept repeating**UNTIL** something happened to me in the month of July 2018.

We had just started attending our ELAG church services from April 18 and very soon became part of the Evening Prayer & Bible Study Group. In our church we had declared July 18 as a month of fasting prayer. The day-before the last Sunday i.e on Saturday night I woke up to another scary vision of the snake biting my right hand. On Sunday morning I was feeling very tired & disturbed, and my mind

was wrestling whether I should go to the Church that day. While still on my bed with authority I spoke this “Hey Devil , It is enough, I am a child of God and you cannot touch me”. I mustered the strength and went to the church and during the English service, while Pastor and the Worship Team were leading the worship, I was filled with the presence of God and started to shake my right hand physically where the snake had bitten me in the vision. All of a sudden I felt a fire on my right hand and I was screaming loudly. After few seconds I felt like Heaven on Earth. Such peace in my Heart as the worship was still on. I had been completely delivered from the vision of snakes. However in my logical mind I was not sure if I was delivered or would it repeat. While I was still contemplating in my mind, God showed me another vision in which I saw a curtain opening and I could see again the way I got delivered in the church. That was a confirmation. It is more than a year now and I have never seen any of those scary snake visions. I am so glad - All Praise and Glory to God for this Miracle. I consider a great privilege to be part of ELAG; especially the Prayer & Bible study group under the guidance of our Pastor (Spiritual Leader) who is preparing an Army to fight the Darkness of this Age.

Dates noted in my diary:

Dec 2018, Healing & Spiritual Support

1st week of Dec 2018: Suffered from very high fever and the sickness was so severe that I was bed-ridden and not able to sleep properly for a few days despite taking medicines. The doctor had assumed that it was a usual viral fever.

2nd December: Early morning around 4 AM, I woke up with too much shivering & fever and I had to take steam inhalation to keep myself warm. Later when I went to sleep, within a while, I saw a vision in which our Pastor was walking to-and -fro in **our** living room and praying. I felt so happy that though we did not call Pastor to inform or pray in our house, he was there in Spirit praying for me.

That very same day the doctors could diagnose that it was Typhoid and started the right medication hence I could recover faster. Thanks to our God for providing such true Spiritual Fellowship.

Aug 2019: Career break-through and Encouragement through Sermons

I had been working with Oracle India Pvt Ltd for over 10 years. I wanted to take a break, so I resigned my job in April 2018 and was at home for a year. It was then that we started fellowship at ELAG Church. After listening to the sermons in our church, I started to pray for a greater miracle in my career.

Afterwards I wanted to re-join my career and I started applying to Oracle and many other companies. I was trying to find a job opening through my references and contacts. Though I had made many calls and attended a few interviews nothing materialized for around 5 months. At one-point I was frustrated.

Finally I gave up my idea of searching for a job and said to our God that I am not going to approach anyone or use my contacts to find a job. I want to see the some miracle of God's hand in my life and surrendered this matter to God and stayed cool.

One fine morning, when I opened my desktop computer at home to finish some odd work, Suddenly there flashed a small window highlighting a specific job-opening mentioned with the Oracle company I desired to work with. Only that particular window was highlighted and the background screen was blur. I was surprised because I had not applied for this position anywhere and it appeared as though it was sent specifically for me.

Soon I remembered knowing someone who worked with me long back at Oracle and enquired about this Job-opening. Being outside the organization, it is difficult to find such openings as most of those will be closed with internal placements. He said that there is a vacancy, but the criteria was not matching to my profile. But I kept my faith in our God who is the God of the impossibilities.

Then the **Miracle** started unravelling. I got a call from the HR of the Oracle Company and she said, that there was an opening and if I would be interested in joining, Out of curiosity to know if this is a miracle I asked her to send the JD(Jobs Description), and to my excitement, it was the same one which I had seen in the flash window that morning.

The very next day, I completed 3 rounds of interview and was selected. Now the salary negotiation started and when they asked me about my expectation, I had told them I wanted a 50% hike. They asked if they can negotiate and I said NO. Despite that I was very cool.

The next day, the HR called me and said we have agreed to proceed with your appointment and decided to offer you a 62% hike. **Unbelievable....**No matching qualification, No related work

experience, more hike than what I had expected and asked, senior role in the team with 62% hike.

Ephesians 3:20: Now to Him (God) who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever.

Amen.
